MONROVIA NURSERY COMPANY Azusa, California

WHOLESALE ONLY

This list is intended for the trade only. If it should be sent by mistake to people not entitled to trade prices, we would greatly appreciate if you would notify us at once, so that our mailing list can be corrected.

F. O. B. AZUSA—All prices quoted in this catalog are F. O. B. Azusa, California

TERMS OF SALE

If you do not have an established open account please send a check including shipping charges with your order.

While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following delivery. Overdue accounts are subject to a service charge of 1% a month. No discount is allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

ACKNOWLEDGMENT and CONFIRMATION

Acknowledgment*

The pink copy of your order is an acknowledgment that your order has been received. It does not assure firm reservation of stock for your order. We feel, however, that we will have the stock, unless otherwise noted.

*Orders for California shipments are not acknowledged unless specified.

Confirmation

The blue copy of your order is a complete confirmation that your stock has been selected and reserved for you for delivery on a specified date, subject to Limitations on Liability.

PLANT PATENTS NOTICE

Any asexual reproduction, or distribution by sale, gift or otherwise, of scions, buds, or cuttings for such reproduction, of any plant for which a plant patent has been granted to Monrovia Nursery Company without a written license granted by Monrovia Nursery Company, constitutes an infringement of such patent which will subject such infringer to prosecution under the Patent Laws.

WE ARE A PINTO-TAG NURSERY—This means that our nursery has been inspected and found to be free from all insects and diseases. Thus, our nursery stock can be shipped to all counties in California and released for planting without further inspection. (Tulare and Ventura counties are exceptions.)

CLAIMS

No claim will be considered unless made in writing within 24 hours of receipt of the shipment. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company.

Please file a claim at once with the transportation company, if your stock has been damaged or delayed in transit. In this connection we shall be glad to assist you in any way we can.

LIMITATIONS ON LIABILITY

The Monrovia Nursery Company prides itself in exercising the greatest care in keeping our varieties true to name and warrants, to the extent of the purchase price only, that the nursery stock sold is true to name and as described within recognized tolerances. Seller gives no further warranty expressed or implied. Under no circumstances will seller be liable for more than the invoice value at the time of purchase.

Shipment of orders may be voided or delayed without liability to the seller for delay or failure to deliver caused by crop failure, droughts, inclement weather, strikes, floods, fire, frost, war embargoes, and any other contingency beyond the control of the seller.

Orders are only accepted on these preceding terms.

TRADE MARKS NOTICE

Many of the plants grown, marketed, and sold by Monrovia Nursery Company are identified by Trade Marks that are registered in a state or states. The use of any registered Trade Mark by anyone who does not have a valid, written license to do so, granted by Monrovia Nursery Company, will subject the user thereof to prosecution for infringement of such Trade Mark.

PACKING CHARGES

There is no charge made on packing lining-out stock (2¼", 2½" RP and 3" pot-sized plants) and Azaleas. Each order is securely packed in sturdy light-weight cartons. Please remember that shipping of 1 and 5 gallon sizes by our contracted carriers is very reasonable, but remember that shipping the larger plants (1 and 5 gallon sizes) by express or public motor freight is very expensive. Not only are the transportation rates high, but it is necessary that nursery stock be packed, which means a packing charge as follows:

1-gallon cans	35¢
2-gallon cans	50¢
5-gallon cans	\$1.00
Labor and materials	
for stacking flats	35¢
Cost per flat	25¢

BARE ROOTING CHARGES

2¼", 2½" R.P., 3" Pots	.02
4" Pots	.08
6" Pots	.15
1-gallon cans	.35
2-gallon cans	.50
5-gallon cans	\$1.00

SHIPPING

All shipments of container material are made by semi-truck. A full load will consist of approximately 4,000 1 gallon containers or 650 - 5 gallon or a combination of both. A combination or split load consists of several orders each consigned to different purchasers.

To have your order included in a combination load, a minimum order of \$250.00 is necessary, and delivery will be made regularly during shipping season. This minimum order of \$250.00 is required as the trucking concern under contract will make only a limited number of stops per trip. **TRUCKING CHARGES ARE A CASH TRANSACTION AND ARE DUE TO MONROVIA NURSERY IMMEDIATELY AFTER DELIVERY OF STOCK. DO NOT PAY THE DRIVER.**

When ordering a shipment by truck beyond our Free Delivery area, packing, loading and bracing are FREE.

***Check with  for Big Savings on shipping rates of Full Truck-load Orders.**

Approximate Weights of Plants in
Following Container Sizes:

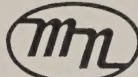

1-gallon cans	7 lbs. each
2-gallon cans	15 lbs. each
5-gallon cans	40 lbs. each
2¼" pots	3/10 lb.
2½" RP	½ lb.
4" pots	¾ lb.
6" pots	2⅓ lb.

FUMIGATION CHARGES

For the convenience of buyers in those states whose laws require fumigation of incoming plant shipments, MN operates two modern fumigatoriums. Although this operation is under the expert supervision of a full-time entomologist, MN assumes no liability for plant damage or loss due to fumigation. Actual operation costs are charged as follows:

2¼" pots.....	2¢	1-gal.	7¢
2½" RP and		2-gal.	15¢
3" pots	4¢	5-gal.	25¢

We Share Your Shipping Cost

ON  POT GROWN LINERS

Distance no longer a penalty—no matter where you live we share shipping costs. This can save you up to 50% of your delivery expense. Your portion of shipping charges will be added to your invoice or should be included with your check for your order. (See Terms of Sale, inside front cover.)

We pack your liner order free of charge in strong safety cartons, and ship promptly.

At these low rates listed below liners can be laid down at your nursery — via our choice of carrier:

PACIFIC TIME ZONE

2¼" Pot—1¢
2½" *RP and 3" Pot—2¢

MOUNTAIN TIME ZONE

2¼" Pot—1¢
2½" *RP and 3" Pot—2¢

CENTRAL TIME ZONE

2¼" Pot—1½¢

OPEN INVITATION TO YOU

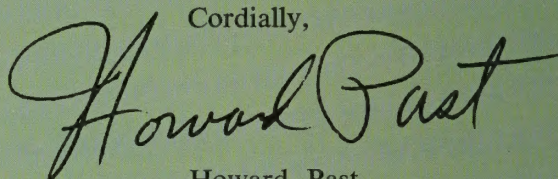

Dear Customer:

It is our pleasure to send you this all new catalog for 1963-1964. We know it will assist you in your purchasing. Many new items have been added to the plant packages; already proven profit makers for you. And a new plant package has been created to broaden your selections.

Plan a visit with us, you will find it valuable and interesting, we know. See our progress, the expansion in growing grounds for more and better standard items as well as a wider choice of distinctive new plants assures greater selection and availability and will open new avenues toward a wider profit range to you. A walk through our testing grounds, with plant materials from all over the globe, cannot help but interest any nurseryman. You and your family will enjoy our panoramic vistas. You will find it a worthwhile trip, and we will do our best to see that it is a pleasant and profitable one for you.

As always, we appreciate your interest and welcome your visits. We hope to see you soon.

Cordially,

Howard Past
President

TEMPERATURE RATINGS

(HARDINESS ZONE NUMBER)

If you are in doubt of the hardiness of any plant, see the zone number placed at the right of the variety listed. Then refer to the map, inside back cover. These temperature ratings show our honest opinion; however, we disclaim all responsibility for correctness as conditions vary in some areas.

THE LETTER OR LETTERS AFTER THE ZONE NUMBER DENOTES METHOD OF PROPAGATION.

CONIFERS

ARAUCARIA bidwilli. Bunya-Bunya (8) S.....

A stately pyramidal evergreen tree with shiny sharp pointed dark green leaves; excellent for tub and specimen planting.

ARAUCARIA excelsa. Norfolk Island Pine. Star Pine (8) S....

A very formal evergreen, pyramidal tree. Branches spread out in a horizontal plane. Densely covered with small, bright green needles.

ARAUCARIA imbricata (A. araucana). Monkey Puzzle (7) S..

A stately pyramidal tree, with rigid, horizontal branching. Interesting twisted branches covered with sharp, needle-like dark green foliage.

BIOTA — See THUJA.

CEDRUS atlantica. Atlas Cedar (6) S.....

Large evergreen, wide spreading pyramidal tree with attractive blue-green needle-like foliage. Will vary slightly in color.

CEDRUS atlantica (Rustic). Atlas Cedar (6) S.....

Wonderful foliage still graces the large evergreen tree. The habit of growth has been untrained to allow a natural rustic form to result.

CEDRUS atlantica glauca. Blue Atlas Cedar (6) Graft.....

Taken from selected stock to insure its sparkling blue foliage and outstanding qualities. Excellent specimen tree.

CEDRUS atlantica glauca (Rustic). Blue Atlas Cedar (6) Gr.

Selected outstanding blue color is assured on this fine tree. Untrained growth habit follows a natural rustic pattern. Excellent bonsai material.

CEDRUS deodara. California Christmas Tree (7) S.....

Rich silvery gray-green foliage with wide spreading, arching branches and pyramidal shape, varying slightly in color and form.

CEDRUS libani. Cedar of Lebanon (5) S.....

A ridged pyramidal evergreen tree with blue-green needles borne in tufts spirally arranged on branches—quite picturesque.

CRYPTOMERIA japonica. Japanese Cedar (5) S.....

An open growing pyramidal tree with spreading branches clothed with bluish-green, soft needle-like foliage along the branches.

CUNNINGHAMIA lanceolata. China Fir (7) S.....

Sharp pointed, densely arranged, glossy light green foliage with white bands on the undersides of the leaf. Handsome large evergreen tree.

CUPRESSOCYPARIS 'Leylandi' (5) C.....

A bi-generic hybrid with striking green foliage, that has a flat appearance on its branches. Very picturesque upright grower.

CUPRESSUS arizonica. Arizona Cypress (6) S.....
Tall, fast growing pyramidal conifer with varying green scale-like foliage, excellent evergreen for drought conditions.

CUPRESSUS arizonica 'Gareei' (6) Graft.....
Grafted to insure its rich, silvery blue-green foliage. Attractive branches of a distinct whipcord texture. Thrives in drought areas.

CUPRESSUS arizonica pyramidalis (6) C.....
A very symmetrical compact form of Arizona Cypress having an intense silver blue-green color. Withstands drought.

CUPRESSUS sempervirens glauca. Blue Italian Cypress (7) C
Cutting grown to insure its outstanding qualities; makes a narrow dense column having attractive bluish-green scalelike foliage.

GINKGO — See GENERAL ORNAMENTALS

★ **JUNIPERUS chinensis 'Ames'. Ames Juniper (4) C**.....
A dwarf, compact, broad based pyramid that requires little pruning. Its colorful blue-green foliage is held throughout the plant.

JUNIPERUS chinensis 'Armstrongii.' Armstrong Juniper (3) C..
Showy semi-erect conifer with a symmetrical closely-knit habit of growth. Attractive light green foliage. Excellent lacy texture.

★ **JUNIPERUS chinensis 'Blaauwi'. (4) C and Graft**.....
Compact and dense growing with an irregular, vase-shaped habit. Heavy textured foliage is a rich deep green.

JUNIPERUS chinensis 'Blue Vase'. Texas Star Juniper (4) C....
Dense growing Juniper with showy blue foliage. Naturally grows in a vase shape. Requires very little shearing.

**JUNIPERUS VIRGINIANA
'SILVER SPREADER' TM.**
Glowing silver-green on this
spreading Juniper. Complete
description page 12.

BERBERIS THUNBERGII
ATROPURPUREA NANA
'CRIMSON PYGMY.' Excellent border plant displays an exciting deep red coloring to its useful miniature form. Complete description page 29.

JUNIPERUS CHINENSIS
PFITZERIANA AUREA. Golden yellow variegation to the foliage makes this a standout in any planting. Complete description page 8.

JUNIPERUS CHINENSIS
'ROBUSTA GREEN.' Magnificent conifer, interesting texture to the outstanding rich green foliage. Complete description page 8.

JUNIPERUS chinensis columnaris glauca (3) C.....

Outstanding columnar growing conifer with attractive blue foliage. Selected from superior stock to insure you the finest coloring.

JUNIPERUS chinensis densaerecta 'Spartan.'

(T.M.) (4) C and Graft.....

A fast, dense grower with a compact pyramidal habit of growth, having rich green foliage.

★ **JUNIPERUS chinensis 'Fruitlandi' (5) C.....**

Excellent spreading form noted for its compactness and dense fine bright green foliage. This vigorous grower needs little care.

JUNIPERUS chinensis hetzi columnaris.

Green Columnar Juniper (3) C.....

Attractive bright green Juniper, with a dense columnar habit of growth. Sharp pointed needles, very hardy Juniper.

JUNIPERUS chinensis hetzi glauca. Hetz Blue Juniper (3) C..

Semi-erect Juniper with a light frosty blue foliage, and appealing habit of growth. Excellent for understock. Hardy.

JUNIPERUS chinensis 'Keteleeri'.

Keteleeri Juniper (4) C and Graft.....
Bright green loosely arranged foliage on ascending branches create a desirable broad pyramid shape. Hardy, fast growing.

JUNIPERUS chinensis 'Maneyi' (4) C.....

A semi-erect, spreading bushy Juniper with a bluish cast to its foliage. A showy medium sized accent for any planting.

JUNIPERUS chinensis 'Mint Julep' (T.M.) (3) C.....

This lovely introduction is a sure "Customer winner." Lush rich green foliage and appealing arching branches, creates a low vase-shaped form. Wonderful grower. Picture page 14.

JUNIPERUS chinensis 'Mountbatten'. (4) C and Graft.....

Dense, compact pyramidal habit, no need to stake or trim. Silvery-green foliage enhances this hardy vigorous grower.

JUNIPERUS chinensis 'Obelisk' (4) C.....

Outstanding columnar Juniper with appealing, dense stiff foliage which is a colorful blue green. Quite hardy.

JUNIPERUS chinensis pfitzeriana. Pfitzer Juniper (3) C.....

Handsome, feathery, gray-green sharp-needed foliage covers arching branches as it develops a showy spreading form.

JUNIPERUS chinensis pfitzeriana aurea.

Golden Tip Pfitzer (4) C.....
Showy gray-green foliage splashed with golden yellow tips. A colorful spreading Juniper which will add to any planting.

JUNIPERUS chinensis pfitzeriana compacta.

Nick's Compact Pfitzer (3) C.....
Gray-green foliage covers graceful dense branches to form a very compact dwarf type of plant. Proven to be best compact pfitzer, grown from especially selected strain.

JUNIPERUS chinensis pfitzeriana glauca. Blue Pfitzer (3) C....

We believe this strain to be superior to any Blue Pfitzer with its soft silvery-blue foliage and handsome spreading form.

★ **JUNIPERUS chinensis pfitzeriana 'Globe Shape' (5) C**.....
Naturally compact and dense growing, this Juniper retains its shape. Branches are covered with bright green foliage.

★ **JUNIPERUS chinensis 'Robusta Green' (4) C and Graft**.....
New! Majestic appearance of the dense, tufted brilliant green foliage on an informal upright habit combine to make this a most vivid Juniper. See picture page 7.

★ **JUNIPERUS chinensis 'Sargenti' glauca (4) C**.....
A ground hugging form makes it unlimited in landscape use. Heavy, beautiful bluish-green foliage holds its color all year.

JUNIPERUS chinensis 'Torulosa'. Hollywood Juniper (4) C....

Very artistic upright growing Juniper. Branches with an appealing twisted appearance, rich green color. Fast grower.

JUNIPERUS chinensis 'Wintergreen' (4) Graft.....

A showpiece with deep rich green foliage combined with a dense branching habit. Makes a perfect pyramidal shape.

★ Starred items are 1963 additions.

"RP" stands for  2 1/2" Rose Pots

JUNIPERUS communis depressa 'Vase Shape' (2) C.....
 Numerous branches arising from the ground forming a true vase shaped plant. New growth silver above, reddish green beneath.

JUNIPERUS conferta. Shore Juniper (5) C.....
 Prostrate and spreading, the attractive light green foliage is unaffected by the sun or salt wind. Outstanding for sea shore.

JUNIPERUS horizontalis 'Bar Harbor' (3) C.....
 A fine prostrate growing Juniper. Hugs the ground as it spreads. Summer foliage a soft blue, silvery plum color in winter.

JUNIPERUS horizontalis 'Douglasi'. Waukegan Juniper (2) C
 Attractive trailing habit of growth with glaucous steel-blue foliage that turns purple in fall. New growth rich green.

JUNIPERUS horizontalis 'Lividus' (2) C.....
 A ground hugging Juniper that forms a solid covering. Foliage is a silvery-blue on slender, spreading branches.

JUNIPERUS horizontalis 'Petraeus' (2) C.....
 Attractive silvery-green foliage dresses the extremely compact branching habit of this ground-hugging Juniper.

JUNIPERUS horizontalis plumosa. Andorra Juniper (3) C.....
 Showy grayish-green in summer, turning to a rich plum color with cold weather. A popular low spreader. Very hardy.

JUNIPERUS horizontalis 'Wiltoni.' Wilton Carpet J. (3) C.....
 New! One of the finest low spectacular trailing Junipers with an intense silver-blue foliage, excellent for ground covers or bank plantings. Literally makes a living carpet. Well mannered growth habit, full centered. See picture page 10.

JUNIPERUS japonica 'San Jose'. San Jose Juniper (4) C.....
 One of the best prostrate Junipers. Sage green, compact foliage, very husky type of growth. Excellent for tub specimen or bonsai.

JUNIPERUS occidentalis 'Sierra Silver'. Yosemite J. (5) Graft
 From the high Sierras comes this rugged Juniper. Has very bold foliage, a lavish gray green color. Its interesting twisted habit will enhance any planting.

JUNIPERUS procumbens variegata (5) C.....
 Low spreading Juniper, with heavy branches that are clothed with gray green foliage highlighted with creamy white.

JUNIPERUS sabina 'Arcadia' (3) C.....
 Rich green foliage with a lacy texture and semi-spreading habit of growth. A welcome addition to your sales yard. This superb strain has proven itself to be superior. See picture page 71.

JUNIPERUS sabina savin. Savin Juniper (4) C.....
 Semi-spreading habit of growth with superb dark green foliage. Easily adapts to every planting. Excellent grower.

JUNIPERUS sabina 'Scandia' (2) C.....
 A low spreading plant with dark green appealing foliage—excellent for areas where a low growing showpiece is desired.

JUNIPERUS sabina tamariscifolia. Tamarix Juniper (4) C.....
The favorite of low spreading Junipers, very hardy and useful for ground cover. Forming mounds of attractive blue-green foliage.

★ **JUNIPERUS sabina 'Von Ehron' (4) C.....**
Vigorous and unusually graceful upright branching effect is outstanding. Splendid deep green foliage covers this trained globe shape.

JUNIPERUS scopulorum 'Blue Haven' (4) C and Graft.....
Neat pyramidal growth. This Juniper's foliage is the most blue in appearance of any we grow. Exceptionally compact grower.

JUNIPERUS scopulorum 'Blue Moon' (5) C and Graft.....
A very appealing upright grower with lovely silvery blue foliage. Handsome foliage gives a full, compact appearance.

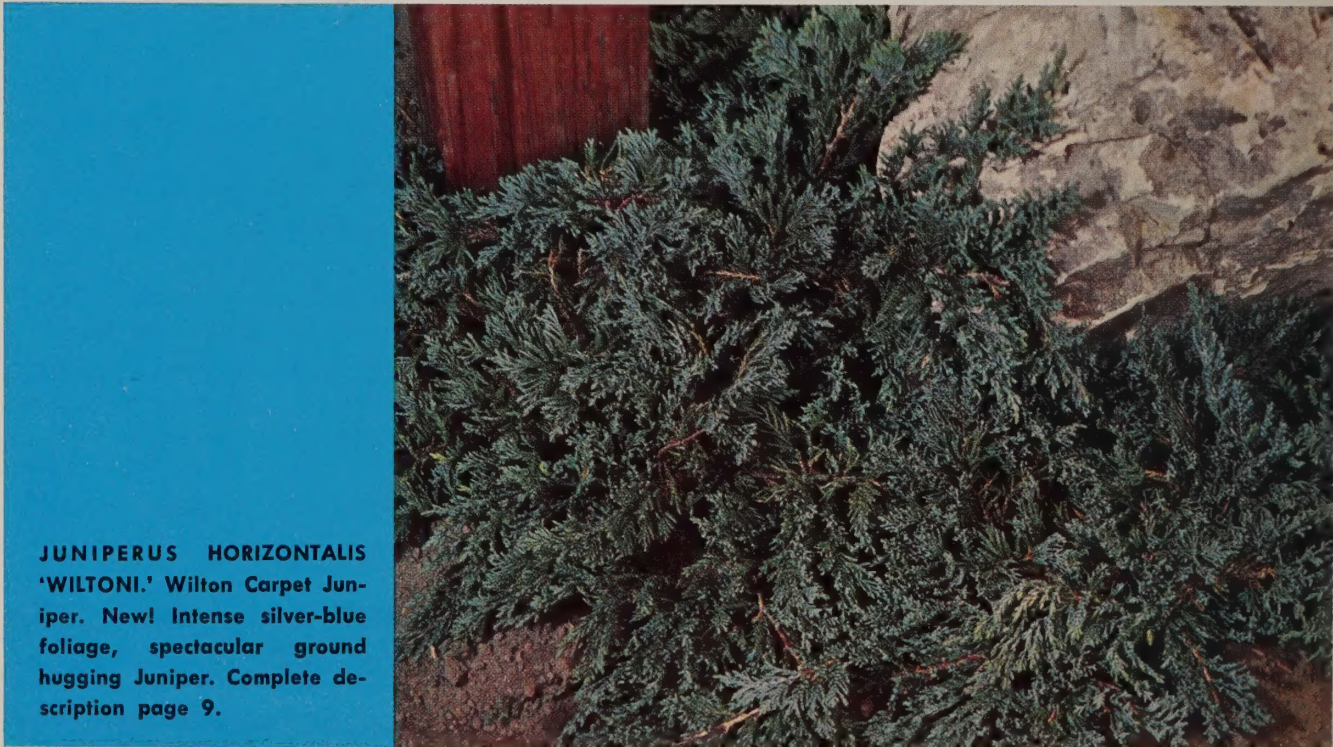

JUNIPERUS scopulorum 'Chandleri Silver' (4) C.....
Striking pyramidal Juniper with rich silver-blue foliage, with a semi-weeping appearance to its showy branches.

JUNIPERUS scopulorum 'Cologreen' (4) C and Graft.....
Rich forest green scale-like foliage makes this an attractive upright growing conifer. Broadly pyramidal and compact.

JUNIPERUS scopulorum 'Emerald Green' (4) C.....
A symmetrical, compact upright grower with attractive emerald green foliage. Very eye catching, exquisite grower.

JUNIPERUS scopulorum erecta glauca (4) C and Graft.....
Excellent selection when an upright pyramidal Juniper is needed. Feathery silver-blue foliage. Neat habit of growth.

JUNIPERUS scopulorum globosa (4) C and Graft.....
Silvery gray-green feathery foliage on a tight branching habit to form a natural globe shape with very little shearing.

JUNIPERUS HORIZONTALIS 'WILTONI.' Wilton Carpet Juniper. New! Intense silver-blue foliage, spectacular ground hugging Juniper. Complete description page 9.

METASEQUOIA GLYPTOSTROBOIDES. Dawn Redwood. In the close-up above see the soft fern-like spring foliage. This stately tree was discovered from ancient times. Complete description page 12.

JUNIPERUS scop. 'Gray Gleam.' (Pl. Pat. No. 848) (4) Graft

Slow growing symmetrical, columnar Juniper with attractive gray-blue foliage. Outstanding compact growing upright.

JUNIPERUS scopulorum 'Lakewood Globe' (4) C.....

Globe shaped Juniper with a compact habit of growth. Excellent blue-green foliage which highlights its superior form.

JUNIPERUS scopulorum 'Moffetti' (4) C and Graft.....

Very neat blue-green foliage on a dense, pyramidal habit of growth.

JUNIPERUS scopulorum 'Mountaineer' (T.M.) (4) Graft.....

Our own specially selected upright, that is one of the finest in some time. Its foliage is a dark, rich green combined with a nice pyramidal habit of growth.

JUNIPERUS scopulorum 'Pathfinder' (4) C and Graft.....

Showy pyramidal form, blue-gray cast to foliage makes a pleasing contrast wherever used.

JUNIPERUS scopulorum 'Platinum'.

(Pl. Patent No. 1070) (4) Graft.....

Brilliant, silvery-blue foliage on a pyramidal shape. Compact growth keeps it symmetrical, little shearing required.

★ **JUNIPERUS scopulorum 'Silver Star' (4) Graft**.....
 Beautiful, low growing conifer with a wide spreading branching habit. The fine foliage has a definite silvery sheen.

JUNIPERUS scopulorum 'Staver' (4) C.....
 Excellent pyramidal conifer, handsome gray-green color to this vigorous compact grower.

JUNIPERUS scopulorum 'Table Top Blue' (4) C.....
 Neat appearing conifer, a rich silver-blue color. Dense foliage on a heavily branched spreading, flat topped plant.

★ **JUNIPERUS scopulorum 'Welchi' (4) Graft**.....
 A pleasing silvery-green foliage color covers this excellent, naturally cone-shaped, upright Juniper.

JUNIPERUS scop. 'White's Silver King'
(Pl. Patent No. 1186) (4) C.....
 Exciting dense, spreading dwarf Juniper, grows to ten inches high with a charming silver-blue color winter and summer.

JUNIPERUS squamata expansa 'Parsoni' (5) C.....
 This lovely Juniper hugs the ground and is dressed with gray-green needles that enhance its much wanted prostrate habit of growth.

JUNIPERUS squamata 'Meyeri'.
Meyer Juniper (3) C and Graft.....
 An informal semi-upright growth habit with heavy branching. Its captivating blue foliage has a rich silvery sheen.

JUNIPERUS virginiana 'Burki'. Burk Red Cedar (2) C & Graft
 Exciting pyramidal form with dense steel-blue foliage, in fall turns to tones of showy plum color with cool weather.

JUNIPERUS virginiana canaerti compacta (2) C and Graft..
 Extremely rich dark green foliage on dense, compact upright branches. Very striking Juniper.

JUNIPERUS virg. cupressifolia. Hillspire J. (2) C and Graft....
 Attractive, dark green foliage and pleasing compact pyramidal form, one of the most outstanding upright conifers. Very hardy.

JUNIPERUS virginiana 'Henryi'. (3) C and Graft.....
 Dense growing, upright pyramidal form displays attractive rich dark green foliage.

JUNIPERUS virginiana 'Manhattan Blue' (4) C and Graft.....
 Dark showy blue-green scale-like to needle-like foliage forms a compact pyramidal conifer. Excellent accent conifer.

JUNIPERUS virginiana prostrata
'Silver Spreader' (T.M.) (4) C.....
 A delightful spreading conifer, with shiny silvery branches dressed with silvery colorful foliage. Excellent for ground cover or low planting areas. See picture page 6.

JUNIPERUS virginiana pyramidalis (2) C and Graft.....
 Upright columnar form of a dense compact habit. Foliage is a rich green. Golden green color to its new growth.

LIBOCEDRUS decurrens. Incense Cedar (5) S.....
 A narrow columnar tree with erect branchlets and lustrous bright green leaves. Very symmetrical grower. California native.

METASEQUOIA glyptostroboides. Dawn Redwood (5) C.....
 This ancient tree that was lost for many years, found growing in a remote area in China. Very feathery fern-like foliage. This tall, stately tree is a living fossil from pre-historic days. Deciduous. See picture page 11.

PINUS canariensis. Canary Island Pine (7) S.....
Distinctive long, gray-green needles and graceful spreading branches. Rapid grower and tolerant to drought.

PINUS halepensis. Aleppo Pine (7) S.....
Rich gray-green needles and open habit of growth. Excellent for wind and dry areas, also seaside locations. Fast grower.

★ **PINUS Jeffreyi (5) S**.....
A picturesque pine with pendulous branches forms an ornamental symmetrical pyramid. Long, intense bluish-green needles are quite handsome.

PINUS nigra. Austrian Pine (4) S.....
A heavy pyramidal tree with stout wide spreading branches, clothed with shiny dark green to almost black densely arranged needles. Tolerates heat, cold and adverse soil conditions.

PINUS oocarpa (9) S.....
Large, pyramidal highly ornamental tree. Clusters of bright green, over one-foot long needles, add a majestic touch to the branches.

PINUS pinea. Italian Stone Pine (7) S.....
Exciting gray-green foliage. Picturesque spreading habit of growth. Withstands wind and heat well. Fast grower.

PINUS radiata. Monterey Pine (7) S.....
Fast growing pine with bright green needles, compact round headed tree. Very ornamental tree.

PINUS roxburghi. Indian Long Needled Pine (7) S.....
A beautiful tropical tree with dark green needles that beautify its picturesque branching habit. Very attractive.

PINUS thunbergi. Japanese Black Pine (4) S.....
Irregular pattern of pyramidal growth, blackish-gray bark and sharp dark green needles, excellent for any planting.

PODOCARPUS — See GENERAL ORNAMENTALS

SEQUOIA sempervirens. Coast Redwood (7) S.....
Attractive conical tree with dark green needle-like leaves arranged in flat sprays on cascading branches. Fast grower.

TAXUS cuspidata. Spreading Japanese Yew (4) C.....
Excellent dark green needle-like foliage on dwarf, broadly spreading growing habit. These hardy shrubs withstand heavy shearing.

TAXUS cuspidata capitata. Upright Jap. Yew (4) C.....
Rich green needle-like foliage on a hardy evergreen plant having a striking pyramidal habit.

TAXUS cuspidata densiformis. Dense Yew (4) C.....
Brown stems hold outstanding dark green needle-like foliage on a much-branched, dense growing, low spreading form.

★ **TAXUS 'Hunnewelliana' (4) C**.....
The deep green foliage is finer than T. cuspidata. This low spreading and dense Yew makes an excellent short hedge.

★ **TAXUS media. Anglojap Yew (4) C**.....
Hybrid, upright Yew which displays lustrous dark green foliage held flatly on the stems.

★ **TAXUS media 'Andersoni' (4) C**.....
 Medium size, freely branching Yew has a wide spreading vase shape. The deep green foliage fills the branches. Best as a taller hedge.

★ **TAXUS media 'Browni' (4) C**.....
 Medium, cone-shaped Yew with a dense form covered with shiny dark green foliage. A globe or small tree with shearing.

★ **TAXUS media 'Sebian' (4) C**.....
 Outstanding rich green foliage on this spreading, dense, low habit requires little pruning.

THUJA occidentalis 'Woodward Globe' (2) C.....
 Compact growing arborvitae forming a natural globe. Foliage a deep dark green. Very hardy.

THUJA orientalis aurea nana. Dwarf Golden Arborvitae.
Berckman's Golden Arborvitae (5) C.....
 Slow growing, dense, pointed globe shaped with tips of branchlets a bright golden yellow. Most popular dwarf arborvitae.

THUJA orientalis aurea nana 'Raffels' (5) C.....
 All the perfection and beauty of "aurea nana" in miniature form. Having the same golden glow to its deep green foliage.

THUJA orientalis 'Bakeri'. Baker's Arborvitae (5) C.....
 A compact growing pyramidal arborvitae, its radiating foliage has a bright green color. Quite hardy.

THUJA orientalis 'Blue Cone' (5) C.....
 Upright, pyramidal Thuja with especially compact green foliage having a blue cast. Well adapted to any planting.

THUJA orientalis elegantissima (5) C.....
 Exciting upright columnar Thuja. Bronzy golden green during summer and holds its color especially well during winter.

THUJA orientalis 'Fruitlandi' (5) C.....
 Compact, upright grower with rich deep green foliage makes this neat appearing Thuja a top addition to your sales yard.

JUNIPERUS CHINENSIS
'MINT JULEP' TM. Lovely introduction with mint green foliage. Complete description page 8.

AZALEA PHOENICIA as a decorative Patio Tree. Check pages 16 through 19 for other varieties available in this form. Also available in other distinctive forms and sizes.

1. All plants must be of one variety.
2. All plants must be of one container size.
3. All plants must be shipped at one time.

These discounts apply to the:

- 100 or more rate on Liner Stock.
- 25 or more rate on 1-gallon Stock.
- 10 or more rate on 5-gallon Stock.

AZALEAS

Southern Indica Azaleas (Sun Azaleas) (8) C

Sun grown Azaleas given proper growing conditions produce a mass of early spring color that brightens up any planting after the drabness of winter. Southern Indica Azaleas grow well planted in full sun; however, they should not be planted where they will get reflected heat. Order these MN varieties today.

CAMELLIA PICTURE BLOOMS

Give You Year 'Round Sales and Fast Turnover

Your Camellias don't have to be blooming to be fast sellers! Free  artificial blooms (so realistic many customers think they're real at first glance) make them sell 12 months of the year. They make instant plant identification easy, too. They're in full color, water-resistant, fadeproof, last for six months or more! Each plant you purchase from the varieties marked with "*" will carry one of the picture blooms on 1 and 5 gallon plants.

*Tagged with Picture Blooms.
**Note Special Prices.

CAMELLIA JAPONICA (8) C

*ALBA PLENA

Large, formal double, white flowers. Medium sized upright shrub. Blooms early.

**BONNIE MARIE (Pl. Patent No. 1801) (7) (Note special price)

One of the All American winners for 1960. Lovely delicate pink formal flowers. Excellent upright habit. A new hybrid that withstands more cold weather. Midseason.

**BRIGADOON (Pl. Patent No. 2169) (Note special price)

New hybrid of merit. Upright growth, deep green compact foliage, semi-double rich pink. Blooms midseason.

*C. M. WILSON (GRACE BURKHARD)

Light pink anemone form, spreading type of growth. Blooms midseason.

*CHANDLERI ELEGANS VARIEGATED

Large anemone form, rose-pink mottled with white. Blooms midseason.

★**CINDERELLA (Pl. Patent No. 1281) (Note special price)

Large, semi-double flowers are mostly white with streaks of unusual fuchsia-rose. This upright grower blooms midseason.

*COLONEL FIREY (C. M. HOVEY, DUC DE DEVONSHIRE, SOLARIS)

Large formal flowers, dark red in color. Blooms midseason to late.

*COVINA

Semi-double rose-form compact grower. Rose-red flowers. Blooms midseason to late.

*DAIKAGURA VARIEGATED (KIYOSU, IDATEN-SHIBORI)

Large peony type rose-red splotched with white. Blooms early.

*DEBUTANTE (SARA C. HASTIE)

Large, light pink, peony type. Very vigorous grower. Early bloomer.

ELEANOR HAGOOD

Medium to large formal, pale pink flowers. Blooms late.

★ **ELEANOR McCOWN**

Semi-double to anemone form, pink flowers. Upright, midseason.

***EMPEROR WILHELM (GIGANTEA, MAGNOLIA KING)**

Huge semi-double to peony form. Rich red flowers marbled with white. Vigorous upright loose growth. Blooms midseason.

GENERAL DWIGHT EISENHOWER

Large, full peony to anemone form deep red. Blooms midseason.

GENERAL GEORGE PATTON (PINK PURITY)

Bright pink, large double rose form. Blooms midseason to late.

***GLEN 40 (COQUETTI)**

A deep red, formal to rose form double. Blooms midseason to late.

***GRANDIFLORA ROSEA (LOUISE MACLAY)**

The largest, semi-double deep pink. Vigorous bushy growth. Blooms midseason.

***HIGH HAT**

Large, peony form blossoms of a soft shell-pink. Blooms early to midseason.

***JORDAN'S PRIDE (HERME, HIDARU-GENJI)**

Light pink with an irregular white margin and streaked with deep pink, double peony type. Blooms midseason.

***JOSHUA E. YOUTZ (WHITE DAIKAGURA)**

Large peony to formal, double white flowers. Slow compact growth. Blooms early.

****KING'S RANSOM (Pl. Patent No. 1800) (Note special price)**

* A striking rose pink with an appealing peony form, lovely deep green leaves, and masses of colorful blooms. Excellent grower. Midseason bloomer.

★****KRAMER'S SUPREME (Pl. Patent No. 1583) (Note special price)**

The deep red, peony form flowers are very large. This midseason blooming Camellia has a vigorous, upright habit.

***KUMASAKA (LADY MARION, JEANNE KERR)**

Double peony flowers of a bright rose-pink. Blooms midseason to late.

***MAGNOLIAEFLORA (SOUTHERN, HAGORMO)**

Medium large semi-double blush pink. Compact upright growth. Blooms midseason.

***MATHOTIANA (JULIA DRAYTON, PURPLE DAWN, WM. S. HASTIE)**

Very large, scarlet double rose form flowers to formal double. Blooms midseason.

***MRS. CHARLES COBB**

Large, dark red semi-double to loose peony form. Blooms midseason.

MRS. HOWARD ASPER (HANA-FUKI)

Soft pink, large single to semi-double. Medium rate of growth. Blooms midseason.

***MRS. TINGLEY**

Large formal, double salmon-silver pink. Very compact growth. Blooms midseason.

★ **PEACH BLOSSOM**

Semi-double, light pink flowers. Compact, upright habit. Midseason blooming.

PEARL MAXWELL

Large formal double flowers of soft shell-pink. Blooms midseason to late.

***PINK PERFECTION (FRAU MINNA SEIDEL, USU-OTOME)**

Medium, formal double flowers of soft shell-pink. Blooms early to midseason.

***POPE PIUS IX (IMBRICATA RUBRA PLENA, PRINCE EUGENE NAPOLEON)**

Large, formal double, red flowers in imbricated petals. Blooms midseason.

***PURITY (NEIGE d'OREE, SHIRAGIKU)**

Large pure white formal flower. Blooms midseason to late.

***ROSEDALE'S BEAUTY (Trade Marked)**

In great demand by Camellia lovers everywhere. Among its outstanding characteristics are its greater ability to endure extreme weather conditions, its large deep green leaves, its vigorous growth and compact form, and its profusion of big double red blooms during February, March and April. Must be sold with Trade Mark tags attached.

★ ****SHIRO CHAN (Note special price)**

Sport of C. M. Wilson with anemone form flowers. Blooms are creamy-white with occasional light pink at the base. Spreading habit on these midseason blooming Camellias.

SNOW WHITE

Outstanding new large, formal Camellia. Lustrous deep green foliage and vigorous, bushy upright growth combined with the "eye-catching" white blooms will make this Camellia a "top-seller" for you. Blooms midseason to late.

****SWEETHEART (Pl. Patent No. 1562) (Note special price)**

- * A beautiful formal pink, bushy upright grower. Its glistening green foliage is a spinach green. Blooms midseason to late.

★ ****TIFFANY (Pl. Patent No. 2159) (Note special price)**

Large, informal double flowers, warm pink coloring. Upright habit, blooms midseason.

★ ****TOMORROW VARIEGATED (Note special price)**

Very large, semi-double, brilliant strawberry red mottled with white. Early to midseason blooming.

CAMELLIA RETICULATA (7) C

These Camellias differ from japonicas and sasanquas in that their foliage is not as glossy. They are also noted for their exceptionally vigorous growth habit, extremely large size of bloom, and resistance to cold.

★ ****BUDDHA (Pl. Patent No. 1215) (Note special price)**

Very large, semi-double blooms are an exciting deep rose-pink. Added attractions are the wavy petals. Upright grower, blooms midseason.

"RP" stands for $\textcircled{m}$ 2 1/2" Rose Pots

CAMELLIA SASANQUAS (7) C

These top varieties have been selected for their outstanding ability to perform. These graceful evergreen shrubs clothe themselves with hundreds of blossoms in autumn set against lavish green leaves, flourish in full sun or shade.

GENERAL ORNAMENTALS

ABELIA 'Edward Goucher.' Pink Abelia (5) C.....

A medium-sized, graceful, compact evergreen shrub producing dainty, clear pink flowers all summer. Shiny rich green foliage.

ABELIA grandiflora. Glossy Abelia (5) C.....

Graceful, evergreen hardy shrub of medium size with fragrant white bell-shaped flowers all summer. Shiny dark green leaves.

ABELIA grandiflora prostrata.

Prostrate White Abelia (Pl. Patent No. 1431) (6) C.....

Ground covers, bank plantings and low groupings are excellent uses for its striking beauty. Its spreading branches wear shiny, intensely green leaves and new growth has a delightful red tinge. Delicate white flowers decorate the shrub for the greater part of the summer. Healthy, vigorous grower that endures a wide range of temperatures.

★ **ABUTILON alba. White Flowering Maple (9) C**.....

Well branched evergreen plant, masses of pendant, creamy-white, bell-like flowers. Very long blooming season.

ABUTILON megapotamicum (9) C.....

An evergreen with slender branches of a graceful drooping habit holds arrow-shaped foliage with wavy margins. Flowers with yellow petals and bright red calyx—quite showy in spring.

ABUTILON speciosum. Flowering Maple (9) C.....

Dwarf evergreen shrub with bright orange-red bell-shaped flowers borne in profusion, most of the year. Maple-like foliage.

ACACIA baileyana. Fern Leaf Acacia (9) S.....

Popular small evergreen tree with feathery blue-green foliage on pendulous branches. Fragrant, bright yellow flowers.

ACACIA baileyana purpurea. Purple Leaf Acacia (9) S.....

Its picturesque purple tinted evergreen foliage makes a wonderful setting for the billows of bright yellow flowers in spring.

ACACIA latifolia. Bush Acacia (9) S.....

A small evergreen tree or large bush with long green leaves; masses of yellow flowers in spring.

ACACIA longifolia floribunda. Everblooming Acacia (9) S.....

Small round headed evergreen tree with bright yellow, fluffy, ball-like flowers and rich green foliage.

ACACIA podalyriaefolia. Pearl Acacia (9) S.....

A tall shrub with conspicuous gray branches. The fluffy globular flower-heads of a delicate golden yellow are produced in spring.

ACANTHUS mollis 'Oak Leaf' (5) Div......

Large dark green leaves resembling a giant oak leaf in shape. Produces giant white flower spikes in spring—very attractive.

ACER palmatum. Dwarf Japanese Maple (5) S.....

Artistic branching tree with small delicate, deeply lobed, light green leaves which turn a brilliant red before dropping in fall.

ACER palmatum atropurpureum. Red Japanese Maple (5) S

Same habit of *Acer palmatum*, except its leaves are deep red all year and become blood red with cool weather. Deciduous. Shade.

★ Starred items are 1963 additions.

ACER palmatum 'Burgundy Lace' (5) Graft.....

Artistic open branching habit. Deeply lobed burgundy red leaves are finely serrated, very lacy effect against bright green branches. Shade. See picture page 49.

ACER palmatum dissectum. Thread-leaf Jap. Maple (5) Graft

The low weeping habit adds to the attractiveness of this dwarf deciduous maple. Doubly lobed leaves of soft green are finely serrated on all edges. Shade.

ACER palmatum 'Oshio-beni'. Cut-Leaf Jap. Maple (5) Graft

Graceful dwarf maple with deeply lobed leaves of bright red coloring. Finely toothed margins add to the softness. Shade.

ACOKANTHERA spectabilis. Wintersweet (9) S.....

A large bush covered with shiny leathery dark green leaves, slightly red tinted. Small pure white flowers that are sweetly scented followed by purplish black fruit.

ACROCARPUS fraxinifolius. Pink Cedar (9) S.....

Very attractive evergreen tree with rich green leathery leaves with a reddish cast on the new growth. Fast growing.

AGAPANTHUS africanus (A. umbellatus).

Lily of the Nile (8) S.....

A showy perennial with deep blue flowers on rounded heads, raised high above the lush mass of strap-shaped leaves in the spring.

★ **AGAPANTHUS africanus albus.**

White Lily of the Nile (8) S.....

Similar plant as described above except blooms are white.

AGAPANTHUS africanus 'Peter Pan'. (8) Div......

Dwarf form of Agapanthus. Miniature flower clusters of deep blue only 8" - 10" high. Rock garden or border item.

AGAVE attenuata (9) S.....

Huge rosette of large gray-green, thick fleshy leaves. Produces a giant flower spike of greenish yellow. Extremely showy plant.

AGAVE parryi. Parry Agave (8) S.....

Forms a showy rosette of foot long glaucous gray-green leaves from a trunkless plant. Spines on the leaf margin enhance its beauty.

★ **AGONIS flexuosa. Willow Myrtle (9) C and S**.....

Robust small tree densely covered with willow-like foliage. Small, scented white flower heads form along the branches.

★ **AGONIS juniperina. Juniper Myrtle (9) S**.....

Rapid growing evergreen, large shrub or small tree; minute, soft green foliage on a weeping, well-branched habit. Tiny white flowers in summer.

ALBIZZIA julibrissin. Silk Tree, Mimosa Tree (6) S.....

Small deciduous tree with light green feathery foliage has quantities of pink silk-like flowers produced in summer.

★ **ALECTRYON subcinereum. Smooth Rambutan (7) C**.....

Medium size, evergreen tree having shiny compound foliage. Panicles of small flowers followed by interesting red and black seeds.

ALNUS cordata. Italian Alder (5) S.....

A strong, fast growing medium sized tree with a symmetrical, pyramidal habit of growth. Deciduous, handsome glossy foliage.

ALNUS glutinosa. Black Alder (3) S.....
Large, fast growing deciduous pyramidal tree. Very hardy specimen with dark green leaves.

ALNUS rhombifolia. White Alder (8) S.....
Deciduous tall, narrow tree of pyramidal habit. Dark shiny green leaves densely arranged on the slightly pendant branches. Heat and cold tolerant.

ALSOPHILA — See FERNs

ALTHAEA syriacus (Hibiscus syriacus) . Rose of Sharon (5) C
Popular shrub of the Hibiscus family, producing an array of many single blooms during the summer months. Deciduous.
alba — White

'Collie Mullens' — Lavender

'Hamabo' — White with Red Eye.....

'Pink Delight' — Pink

'Woodbridge' — Clear Rose Pink.....

AMPELOPSIS quinquefolia. Virginia Creeper (4) S.....
Deciduous fast growing hardy vine, clings to walls with its tendrils. Very attractive autumn color with cool weather.

AMPELOPSIS veitchi (Parthenocissus tricuspidata) .
Boston Ivy (4) S.....
Deciduous, vigorous growing, close clinging hardy vine. Green foliage changes to a bright, vivid color in fall.

ANEMOPAEGMA — See BIGNONIA

ANISACANTHUS thurberi (8) C.....
A low growing compact evergreen shrub with light green leaves. Bears terminal clusters of bright orange tubular flowers in abundance in spring and summer.

★ **ANNONA Cherimola. Cherimoya (10) S**.....
Semi-evergreen, medium growing, tropical tree. Large, velvety, light green foliage. Fragrant yellow flowers produce an unusual, heart-shaped, edible fruit.

ANTIGONON leptopus. Coral Vine. Queen's Wreath.
Rosa de Montana (8) S.....
Attractive rapid climbing vine, produces bright pink flowers having deeper centers. Blooms freely in summer, deciduous.

APHELANDRA squarrosa 'Louisae' (10) C.....
A very colorful plant with showy variegated foliage. Very tropical appearing. Produces yellow bract-like flowers in spikes.

ARALIA elegantissima (Dizygotheca elegantissima) (9) S....
Exotic evergreen shrub with dull, deep green heavily serrated leaves, prefers partial shade. Unlimited uses.

ARALIA papyrifera (Tetrapanax) . Rice Paper Plant (9) S.....
A large leafed tropical appearing evergreen shrub with huge dark green leaves. Very vigorous grower. Produces immense heads of white flowers in November.

ARALIA sieboldi (Fatsia japonica) (8) S.....
Attractive evergreen shrub with large deeply cut glossy dark green leathery leaves; prefers partial shade. Rapid grower.

ARBUTUS unedo compacta. Compact Strawberry Tree (7) C..
Very attractive deep green foliage tinted with amber. Masses of white flowers in fall, followed by red strawberry-like fruit. Specially selected strain. Very colorful, showy plant.

ARCTOSTAPHYLOS 'Point Reyes'. Point Reyes

Manzanita (7) C.....
Leathery leaves growing tightly together along shiny red stems on excellent evergreen ground cover. Pink flowers followed by red berries in fall.

ARECA — See PALMS

ARUNDINARIA — See BAMBOO

ASPARAGUS plumosa. Asparagus Fern (9) S.....

Vigorous growing fern with small dainty lace-like foliage a deep green in color. Ideal for shade. Good cut foliage.

ASPARAGUS sprengeri (9) S.....

Small leaves on long arching branches makes a rich fluffy mound of green foliage. Prefers shade. Good for cut foliage.

ASPIDISTRA elatior. Cast Iron Plant (9) Div......

Interesting tough, leathery evergreen foliage. Grows well under adverse conditions. Excellent pot or tub specimen.

ASPLENIUM — See FERNS

ASTER frikartii jungfrau (4) C.....

Fast growing perennial covered with a mass of blue-lavender colored flowers in summer. Foliage is a rich gray green.

AUCUBA japonica 'Dwarf Female' (6) C.....

An outstanding, shade loving, large leaf tropical shrub which produces a colorful array of bright red berries which are retained for months. This superior selected shrub is a real "Sales Stimulator."

AUCUBA japonica picturata (7) C.....

Showy leaves with a deep green margin with a bright golden yellow center. Our own selected strain to insure you only the finest. (Female.) See picture page 33.

AUCUBA japonica serratifolia (6) C.....

Vigorous bushy grower with long dark green leaves with serrated edges and captivating large bright red berries (Female.)

AUCUBA japonica 'Sulphur' (7) C.....

Wide golden yellow edges to the serrated dark green leaves. Spectacular addition to this group of tropical appearing shade plants.

AUCUBA japonica variegata. Gold Dust Plant (6) C.....

Small compact evergreen shrub with large glossy green leaves speckled with gold. Produces bright red berries. Shade.

AUCUBA japonica variegata 'Male'. (6) C.....

Since Aucubas are dioecious, these plants are necessary to insure berries at a ratio of approximately 1 to 10 plants.

MINIMUM QUANTITIES

In order to keep our prices low . . . do not order less than the following quantities of any one variety.

25 in 2 1/4" and 2 1/2" RP lining-out stock	10 in 2-gallon containers
25 in 3" lining-out stock	5 in 5-gallon containers
10 in 1-gallon containers	

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$35.00 or more. This minimum also applies to local deliveries and will call orders.

BAMBOO

- ★ **ARUNDINARIA argenteo-striata (6) Div.**.....
Tufted branches, colorful creamy-white and dark green variegated foliage. Low growing, well-branched plant.
- ARUNDINARIA 'Simoni' var. variegata.**
Thread Striped Bamboo (8) Div......
Very attractive small bamboo with low graceful arching branches. Its green foliage is strikingly streaked with white.
- ★ **BAMBUSA multiplex 'Golden Goddess' (7) Div.**.....
Slender, arching, golden yellow canes form clumps. Bright green foliage. Makes an exotic showing and likes sun.
- ★ **PHYLLOSTACHYS bambusoides var. 'Castilloni' (7) Div.**.....
Bright yellow stems suffused with wine color and a broad green stripe. The green foliage on this tall plant sometimes show cream stripes.
- SASA pygmaea. Dwarf Bamboo (7) Div.**.....
Dwarf growing bamboo with deep green leathery foliage, having feathery appearance. Excellent ground cover or where low growing plant is desired.
- BAUHINIA Blakeana. Hong Kong Orchid Tree (10) Graft.**....
The most spectacular, exciting, beautiful tree of them all. Produces masses of huge orchid-like flowers in abundance from December to April. A dazzling display of deep wine red with a touch of gleaming white exhibited by the blooms. Huge butterfly-like leaves create a perfect setting for this giant living bouquet. See picture page 18.
- BAUHINIA corniculata (10) S.**.....
An exotic small tree with deeply lobed appealing green leaves appearing like butterflies. In spring quantities of prominent orchid-like white flowers are produced.
- BAUHINIA 'Galpini.' Red Bauhinia (9) S.**.....
A splendid evergreen shrub producing clusters of brick-red flowers in summer. Surrounded by showy blue-green foliage.
- BAUHINIA purpurea. Orchid Tree (10) S.**.....
Picturesque evergreen tree producing a profusion of rich purple orchid-like flowers in spring. Desirable tree for color.
- BEAUMONTIA grandiflora. Easterlily Vine (10) C.**.....
Fast growing evergreen vine with beautiful large dark green leaves and fragrant showy trumpet-shaped white flowers.
- BELOPERONE tomentosa (B. guttata). Shrimp Plant (9) C.**....
A mass of shrimp-like flowers against its deep green foliage makes this everblooming plant a must in the landscape.
- BERBERIS 'Darwini' (7) C.**.....
Delightful evergreen shrub with lustrous dark green spiny toothed leaves on brown branches. Clusters of orange-yellow flowers in spring followed by round dark blue fruit.
- BERBERIS 'Julianae'. Wintergreen Barberry (5) C.**.....
Evergreen upright shrub with holly-like leathery dark green spiny-toothed foliage. Superb, eye-appealing barberry.
- BERBERIS 'Mentorensis'. Mentor Barberry (5) C.**.....
Showy, stiff upright branches with heavy, thick dark green foliage. Has an unusual ability to withstand heat and drought.

★ Starred items are 1963 additions.

"RP" stands for  2 1/2" Rose Pots

BERBERIS stenophylla 'Irwini' (7) C.....

A very appealing dense habit of growth describes this dwarf evergreen shrub. Small dark green leaves are very attractive.

BERBERIS thunbergi. Japanese Barberry (3) C.....

Compact growing deciduous shrub with dense dark green foliage turning red in fall. Excellent foundation shrub. Hardy.

BERBERIS thunbergi atropurpurea.

Red Leaf Japanese Barberry (3) S.....

Bright showy bronze-red foliage all summer, turning a deep amber with cool weather. Prefers full sun. Hardy, deciduous.

BERBERIS thunbergi atro. nana 'Crimson Pygmy' (5) C.....

Miniature form of red leaf barberry with all the charm and delightful deep coloring to its foliage. Deciduous. See page 7.

BERBERIS triacanthophora. Threespir arberry (5) C.....

Graceful evergreen shrub with long slender branches, narrow leaves are bright green. Has captivating spreading habit.

BERGENIA — See SAXIFRAGA

BETULA alba. European White Birch (2) S.....

Graceful open framed tree with distinctive flaky white bark on trunk and artistic pendulous branches. Deciduous.

BETULA maximowicziana. Monarch Birch (5) S.....

Rapid growing deciduous tree with conspicuous orange bark. The large heart-shaped leaves add to the beauty of this ornamental tree. Largest leafed Birch.

BIGNONIA chamberlayni (Anemopaegma).

Yellow Trumpet Vine (7) C.....

A beautiful evergreen vine with clusters of showy yellow-orange trumpet-shaped flowers in summer months. Very striking.

BIGNONIA cherere (Phaedranthus).

Scarlet Trumpet Vine (10) C.....

An evergreen vine that makes a heavy cover and produces large trumpet shaped-flowers, bright red base with a yellow tube.

BIGNONIA tweediana (Doxantha).

Catclaw Yellow Trumpet (6) S.....

Hardy deciduous vine with slender shoots that cling to any surface. Dense glossy foliage shows off bright yellow flowers.

BIGNONIA venusta (Pyrostegia). Flame Vine (10) C.....

Brilliant trumpet-shaped crimson-orange flowers hang in masses during the winter months on this evergreen vine.

BIGNONIA violacea. Lavender Trumpet Vine (9) C.....

Delightful evergreen vine for sun or shade. Light lavender trumpet-like flowers are borne in spring and summer.

BILLBERGIA nutans. Queen's Tears (8) Div.....

Long narrow finely toothed leaves of a clear green form a rosette style plant. Drooping slender spike-like flowers, green petals edged with blue, held in bright red bracts in spring.

BOUGAINVILLEA 'Barbara Karst' (10) C.....

Cascading masses of large brilliant red flower-bracts are borne almost continually. Plants bloom at an early age.

BOUGAINVILLEA brasiliensis (B. spectabilis) (10) C.....
An indescribable sight with its clusters of purple flower-bracts, produced many months of the year in large masses.

BOUGAINVILLEA 'California Gold' (10) C.....
As its name suggests, rich golden bracts are borne profusely for many months in the year, contrasted by deep green leaves.

BOUGAINVILLEA 'Crimson Jewel'
(Pl. Pat. No. 2075) (10) C.....
Lovely, luxurious dark green leaves, create a harmonious setting for the hundreds of brilliant, glowing red flowers that literally smother its exciting bush form. Crimson Jewel, in masses of vibrant sparkling color, resembles a glittering "RED DIAMOND" in all its exotic beauty. See picture page 37.

BOUGAINVILLEA 'Orange King' (10) C.....
Bronzy-orange-gold flower bracts are produced in graceful sprays during warm months. Very attractive green leaves.

BOUGAINVILLEA 'Scarlett O'Hara' (B. San Diego) (10) C....
This fast growing Bougainvillea creates a blaze of dazzling color with its bright red flower bracts on pendulous sprays.

BOUGAINVILLEA 'Temple Fire'.
Red Bush Bougainvillea (10) C.....
Covered constantly with deep red flower-bracts in warm weather. Excellent as tub specimen, borders, fast grower. Good bush.

BOUGAINVILLEA 'Texas Dawn' (Trade Marked) (10) C.....
The exotic, almost indescribable color of this sensational Bougainvillea wins quick approval and sales from garden lovers. Only the delicate pink of the Texas dawn sky can begin to describe the myriad, gracefully formed Tyrian rose bracts which the vine suspends from long arching sprays. Must be sold with T.M. tags attached.

BRACHYCHITON — See STERCULIA

BRASSAIA — See SCHEFFLERA

BRUNFELSIA calycina floribunda.
Yesterday, Today and Tomorrow (8) S.....
Colorful spring blooming evergreen shrub with flowers opening to a deep violet and fading to light violet or white, lasting 3 days.

BUDDLEIA. Butterfly Bush (4) C.....
Showy hardy shrubs which bear exciting arrays of spectacular flowers on long spikes in summer. Deciduous. Rich gray-green foliage.

- alternifolia** Lilac purple.
- davidii 'Charming'**..... Deep pink.
- davidii 'Dubonnet'**..... Reddish purple.
- davidii 'Empire Blue'**..... Blue.
- davidii 'Royal Red'**..... Royal red.
- davidii 'White Bouquet'**..... Sparkling white.

BUTIA — See PALMS

BUXUS microphylla japonica. Jap. Littleleaf Boxwood (5) C
Evergreen compact shrub with small round tipped bright green leaves. Excellent for hedges or trained specimens.

★ **BUXUS microphylla koreana. Korean Boxwood (4) C**.....
 Shiny, small foliage and dwarf compactness of this evergreen boxwood make it outstanding. Used for dwarf hedges, borders and planter boxes.

BUXUS sempervirens. English Boxwood (5) C.....
 Small growing compact evergreen shrub with excellent dark green shiny foliage. Splendid for small hedges and borders.

BUXUS sempervirens arborescens (5) C.....
 An attractive evergreen shrub with rich dark green leaves larger than above. A dense habit of upright growth. Excellent hedge or small tree.

BUXUS sempervirens 'Handsworthi' (5) C.....
 Handsome, bushy evergreen with an upright habit of growth. Dark green, broad leaves with slightly pointed tips.

★ **BUXUS sempervirens 'Inglis' (4) C**.....
 Dense, pyramidal evergreen boxwood. Extremely hardy. Green foliage color is held all year.

CALADIUM esculentum (Colocasia e.).
Elephant Ear (9) Bulb.....
 Exotic, mammoth, bright green ornamental leaves. Prefers rich soil and partial shade. Fast grower.

CALLA 'Hercules' (10) S.....
 Large glossy green, arrow-shaped leaves set off the large white flowers. An improved form of the common Calla Lily.

CALLIANDRA guildingi. Trinidad Flame Bush (10) C.....
 Evergreen shrub with fine lacy foliage, attractive, scarlet fluffy ball-shaped flowers which appear in summer.

CALLIANDRA inequilatera. Pink Powder Puff (10) C.....
 Desirable tropical evergreen shrub for unusual accent planting. Profusion of bright pink stamens, shaped like huge powder puffs, contrast with graceful foliage. Very colorful.

★ **CALLISTEMON brachyandrus (7) S**.....
 Medium sized evergreen shrub, nice compact habit. Stiff, needle-like foliage with a purplish cast. Striking red flowers dusted with golden tips.

CALLISTEMON lanceolatus improved.
Red Bottle-brush (8) C.....
 Hardy, sun-loving, drought-resistant, evergreen shrub. Produces masses of bright red bottle-brush like flowers several times throughout the summer.

CALLISTEMON linearis pumila (6) C.....
 Very showy dwarf growing bottle-brush, producing large red flowers against its red-tinted green foliage.

CALLISTEMON phoeniceus prostrata (8) C.....
 Low growing bottle-brush with long narrow lanceolate leaves. Flowers are a deep rich red. Excellent for bank planting.

CALLISTEMON pinifolius. Pineleaf Bottle-Brush (8) C.....
 Medium sized shrub bearing red flowers with yellow stamens during the summer months. Very fine small narrow foliage.

CALLISTEMON viminalis. Weeping Bottle-brush (8) S.....
 Tall slender shrub or small tree with slender, semi-weeping branches. Cascades of bright scarlet bottle-brush blooms in spring.

★ **CALLISTEMON viminalis var. 'McCaskilli' (8) C**.....
 Exceptional bottle brush, more compact and freely branching than C. viminalis. Cascading branches are filled with magnificent red flowers.

CALODENDRUM capense. Cape Chestnut Tree (9) S.....
Medium sized stately evergreen tree with dark green foliage produces spectacular rose-lavender flower heads.

CAMPHORA officinarum (Cinnamomum camphora).
Camphor Tree (8) S.....
Evergreen tree with light green foliage becomes more colorful with its bronzy-red new growth. Dark gray to black trunk.

CARISSA grandiflora 'Boxwood Beauty' (10) C.....
A striking natal plum, with a compact semi-upright habit of growth. Its foliage is an intense deep green, densely held on spreading branches.

CARISSA grandiflora 'Fancy' (10) C.....
Breathtaking green foliage, outstanding fruiting qualities and upright growth. Large, fragrant, white flowers. Very tasty fruit. See picture page 78.

CARISSA grandiflora 'Green Carpet' (10) C.....
Wonderful dense, spreading growth habit of this Carissa makes it exceptionally good for ground cover plantings. Lush foliage resembles a "carpet of green," wherever used.

CARISSA grandiflora horizontalis. Natal Creeper (9) C.....
Exceptional compactness ideally suits this prostrate shrub for ground covers with fragrant white flowers and bright green foliage.

CARISSA grandiflora 'Tuttlei' (10) C.....
Superior compact shrub with a very dense spreading growth of rich green foliage. White flowers followed by red fruit.

CARISSA minima (10) C.....
Exciting small plant, tiny evergreen leaves and dwarf habit of growth adds beauty to any landscape. Small white flowers.

CASSIA artemisioides. Feathery Cassia (9) S.....
Small evergreen shrub with feathery, silvery gray foliage. Fragrant bright yellow flowers. Good for dry sunny places.

CASTANOSPERMUM australe. Moreton Bay Chestnut (8) S..
Tall evergreen tree with light green leaves. Flowers range in color from yellow-orange to red. Produces edible tasty nuts.

CEANOTHUS griseus horizontalis. Carmel Creeper (7) C.....
A low growing evergreen shrub with thick leathery green leaves producing bright blue flowers in spring. Loves dry areas.

CEANOTHUS griseus 'Louis Edmunds' (8) C.....
A dense shrub with a fine spreading habit of growth covered with dark glossy green leaves. Compact clusters of sea blue flowers in spring. (Introd. by Saratoga Hort. Fdn.)

CEANOTHUS horizontalis 'Hurricane Point' (9) C.....
Rapid growing, low spreading shrub with excellent creeping habit. Broad dark green, shiny leaves are a perfect background for light blue flowers produced in clusters in spring. (Introd. by Saratoga Hort. Fdn.)

CEANOTHUS 'Sierra Blue.' California Lilac (9) C.....
Produces brilliant blue flowers and real deep green shiny foliage. A hybrid with outstanding flowering and growing qualities.

CENTAUREA cineraria. Dusty Miller (7) S.....
Low growing, silvery gray foliage. Bright yellow flowers. Excellent for borders and low hedges. Very colorful.

CERATONIA siliqua. Carob. St. John's Bread Tree (8) S.....
An excellent evergreen tree of medium size. The round head of deep green foliage makes dense shade. Very beautiful.

AUCUBA JAPONICA PICTURATA.
Stunning accent of golden yellow edged with glossy rich green. Complete description page 27.

CERCIDIPHYLLUM japonicum. Katsura-Tree (4) S.....
Deciduous tree with heart-shaped leaves a rich green in color with rust to pink edges. Attractive autumn color in fall.

★ **CERCIS occidentalis. California Redbud (7) S.....**
Small, deciduous tree with an irregular, broad head. Showy, long lasting reddish purple flowers are borne late winter to early spring.

CESTRUM parqui (C. nocturnum).
Night Scented Jasmine (9) S.....
Dense growing shrub with light green foliage. Insignificant greenish white flowers. Striking sweet fragrance at night.

CHAENOMELES — See CYDONIA

CHAMAEDOREA — See PALMS

CHAMAELAUCIUM ciliatum. Geraldton Wax Flower (9) C....
Medium to large evergreen shrub with heather-like foliage and showy sprays of waxy, rose colored flowers in early spring.

CHAMAEROPS — See PALMS

CHIONANTHUS virginicus. White Fringe Tree (4) S.....
Deciduous tree with showy bright green foliage. Produces many small white flowers in drooping panicles in May and June.

★ Starred items are 1963 additions.

"RP" stands for  2 1/2" Rose Pots

★ **CHIRANTHODENDRON platanoides.**

Monkey's Hand Tree (9) S......
Tall, evergreen tree. Large dark green foliage, brownish covering beneath. Unique, bright red flowers resemble a long fingered hand appearing in late spring.

★ **CHORISIA speciosa. Floss Silk Tree (9) Graft**.....

Medium sized, evergreen tree. Spectacular, bright pink, lily-like blooms appear in autumn. Grafted to insure best color.

CISSUS capensis (Vitis capensis) (10) C.....

Evergreen vine with deep green foliage, fast grower, covering large area in very short time, good for bank or ground cover.

CISSUS hypoglauca (Vitis hypoglauca) (10) C.....

Fast growing, evergreen vine. Glossy leaves of five sharp-toothed leaflets. Handsome, excellent for ground covers.

CISSUS mandianum (Vitis mandianum).

Evergreen Grape (10) C.....
Glossy, rich green leaves of three leaflets set close along the twining stems. Grows well in either shade or sun.

CISTUS corbariensis (C. hybridus). White Rock Rose (8) C..

Small evergreen shrub with dull green leaves. Many ivory white flowers in summer. Good in dry rocky areas.

CISTUS ladaniferus maculatus. Brown Eyed Rock Rose (7) C..

Low, spreading, evergreen shrub with deep green narrow foliage and covered with large white flowers. Does well in dry areas.

CISTUS purpureus. Orchid Rock Rose (8) C.....

Compact evergreen shrub with neat habit of growth. Flowers are rose-purple with yellow base and maroon spots.

CITRUS

NOTICE: Due to a state regulation we are not allowed to ship Citrus out of our local area (Los Angeles and vicinity).

CITRUS 'Calamondin' (9) C.....

Dwarf shrub with light green, small leaves. Fragrant white flowers followed by round orange fruit. Excellent as tub specimens.

CITRUS 'Chinotto Orange' (9) C.....

Dwarf shrub with dark green leaves producing fragrant white flowers followed by miniature oranges. Very colorful.

CITRUS 'Eureka Lemon' (9) C.....

Produces one of the finest lemons in abundance and bears at an early age. Makes an excellent tub specimen.

★ **CITRUS 'Kara-Mandarin Orange.'**

(C. reticulata hybrid) (9) C and Graft.....
Small, compact tree noted for its delectable oranges. Fruit is thin skinned, easily peeled. Sections come apart like tangerines.

CITRUS 'Kumquat Nagami' (9) C.....

Small tree that literally loads its branches with delicate tasting fruit that is a bright orange in color.

CITRUS 'Limequat' (9) C.....

A low growing tree with rich deep green foliage. Produces very tasty, edible fruit. Excellent for small yards.

★ **Starred items are 1963 additions.**

CITRUS 'Meyer Lemon'. Dwarf Lemon (9) C.....
A medium sized shrub with excellent foliage and fragrant flowers. Produces lemons almost the year around.

CITRUS 'Sellars Navel Orange' (9) C.....
Here is a heavy fruiting orange with no seeds. It bears quite young and the fruit is very flavorful. Excellent yard variety.

CITRUS trifoliata — Rubidoux strain (9) S.....
Hardy, ornamental Citrus strain used as grafting understock. Deciduous shrub or small tree. Makes an excellent hedge.

CITRUS 'Valencia Orange' (9) C.....
Bears heavy crops of oranges with a delicious tantalizing flavor. This variety has seeds.

CLEMATIS armandi (9) C.....
Handsome evergreen vine with large glossy green leaves. Covered with slightly fragrant, waxy, white, star-like flowers.

CLEMATIS montana rubens. Pink Anemone Clematis (9) C....
Vigorous deciduous vine having bright green foliage with a purple cast, massed with pinkish white flowers in spring.

CLIVIA 'French Hybrid'. Kafir Lily (9) S.....
Large deep green strap-shaped leaves, makes an ideal setting for the showy crop of intense orange flower heads produced on tall stems. Shade necessary.

COCCULUS laurifolius (8) C.....
Its glistening, green leaves on graceful arching branches make this handsome evergreen shrub highly desirable.

COCOS — See PALMS

COLOCASIA esculentum — See CALADIUM

CONVOLVULUS cneorum. Silver Bush Morning Glory (7) C....
Dwarf compact evergreen shrub with soft silvery foliage. Masses of white to pink flowers are produced in late spring and summer.

CONVOLVULUS mauritanicus. Ground Morning Glory (9) C..
Trailing perennial with gray-green foliage covered with inch-wide lavender-blue flowers all summer. Fast grower.

COPROSMA baueri. Mirror Plant (10) S.....
A medium sized shrub planted mostly for the extremely glossy deep green foliage and pleasing habit of growth. Attractive.

COPROSMA baueri variegata.
Variegated Mirror Plant (10) C.....
Green leaves mottled with yellow with a hand polished appearance. Excellent for foundation plantings. Ornamental.

CORDYLINE stricta. Palm Lily (9) S.....
Slender erect stems hold closely set long thin leaves to form an exciting accent shrub. The green leaves are leathery and very attractive. Sprays of delicate blue flowers occasionally.

COREOPSIS auriculata nana. Dwarf Coreopsis (6) Div.....
Low growing perennial plant that is wonderful for border plantings. Bright orange daisy-like flowers cover the plants during spring thru fall.

COROKIA cotoneaster. Black Corokia (8) C.....
Very artistic appearing evergreen shrub with tiny silver-gray leaves on twisting black branches. Bright yellow star shaped flowers in spring and fall. Excellent accent or tub planting.

CORTADERIA selloana (C. argentea). Pampas Grass (5) S..
A grass with heavily serrated leaf blades. Produces handsome white plumes in fall. Very tropical appearing evergreen plant.

COTINUS — See RHUS

COTONEASTER adpressa praecox. Early Cotoneaster (5) S..
Hardy, vigorous grower with a semi-prostrate form of growth. Bright green leaves. Deciduous. Produces bright red berries.

COTONEASTER apiculata. Cranberry Cotoneaster (4) S & C
Medium-sized deciduous shrub with shiny green foliage, gray underneath. Flowers pinkish white in spring, glowing red berries follow.

COTONEASTER congesta. Pyrenees Cotoneaster (6) C.....
A deciduous low compact shrub, with green leaves, having a gray cast beneath. Bears pink to white flowers followed by bright red fruit. See picture page 40.

COTONEASTER conspicua decora. Necklace Coton. (5) C....
Low spreading evergreen shrub with bright red berries appearing in the fall. Showy small green leaves are a pleasing contrast.

COTONEASTER divaricata (5) S.....
Deciduous, upright Cotoneaster, glorious autumn coloring. Produces bright pink flowers, followed by bright red berries retained well into winter. Shiny green foliage.

HIBISCUS 'FULLMOON' TM. Sensational, full double blooms of brilliant lemon yellow. Complete description page 52.

BOUGAINVILLEA 'CRIMSON JEWEL' (PL. PATENT NO. 2075) Sparkling, vibrant red blooms cover this new bush form Bougainvillea. Complete description page 30.

COTONEASTER frigida. Himalayan Cotoneaster (7) C.....
Tall growing deciduous shrub with dull green leaves. Produces many bright red berries. Extremely handsome when in fruit.

COTONEASTER glaucophylla.
Gray-leaved Cotoneaster (6) C.....
A semi-evergreen, medium to large shrub with small gray-green leaves on graceful arching branches. Produces red berries retained through winter.

COTONEASTER horizontalis. Rock Cotoneaster (4) S.....
Low spreading semi-evergreen shrub with small round leaves, pinkish flowers in spring followed by bright red berries in fall.

★ **COTONEASTER horiz. perpusilla. Ground Cotoneaster (4) C**
Extremely low spreading, compact, and uniform growth habit makes it superior to C. horizontalis. Brilliant red berries decorate plants in fall.

COTONEASTER pannosa. Silverleaf Cotoneaster (6) S.....
Graceful, semi-evergreen shrub with attractive silvery gray leaves. White flowers followed by bright red berries in fall and winter.

COTONEASTER Parneyi. Red Clusterberry (7) S.....
Large evergreen shrub with luxuriant deep green foliage. White flowers in spring, brilliant red berries retained for many months.

COTONEASTER Wardi (5) S.....
Distinctive orange red berries among the orange-scarlet autumn foliage. Long arching branches clothed with green foliage. Deciduous.

CTENANTHE oppenheimiana. Giant Bamburanta (10) Div...
Perennial evergreen dense growing shrub with large tropical appearing deep green leaves. A must in every planting.

CUNONIA capensis. African Red Alder (8) S.....
A very stately fast growing tree with red tinted foliage on new growth changing to dark green. Bears numerous white flowers giving a feathery effect in late summer. Evergreen.

CUPANIA anacardioides. Tuckeroo (9) S.....
Spectacular evergreen tree, beautiful large leathery leaves. Excellent tree for yard or street plantings. Showy seed pods.

CUPHEA hyssopifolia 'Red'. False Heather (9) C.....
Small low evergreen shrub crowded with tiny, linear, leathery leaves. Flowers borne in summer are purplish red in color.

CUPHEA hyssopifolia 'White'. (9) C.....
Same fine qualities but pure white flowers in summer.

CYCAS — See PALMS

CYDONIA japonica (Chaenomeles).
Flowering Quince (4) C.....
Small bushy, deciduous shrubs with glossy dark green foliage. Masses of apple blossom-like flowers completely clothe the branches in early spring thru summer.

'Charming'Rose pink, upright

'Minerva'Velvety cherry red, large, spreader

'Pink Lady'Clear pink, spreader

'Snow'Waxy, pure white, large, upright

'Stanford Red'Tomato red, spreader

'Texas Scarlet'Fiery scarlet, spreader

CYRTOMIUM — See FERNS

DAUBENTONIA tripetti. Glorypea (9) S.....
Deciduous, pinnately compound green leaves. Mass of orange-red pea-like flowers are borne in the summer months on this shrub or small tree.

DEUTZIA gracilis. Slender Deutzia (4) C.....
Graceful, small growing, deciduous shrub 2 to 3 feet in height. Produces abundance of pure white flowers in spring.

★ **DEUTZIA 'Lemoinei' (4) C.....**
Profuse bloomer, white flower heads in spring. Deciduous, fine compact, fountain-like growth habit.

DICKSONIA — See FERNS

DISTYLIUM racemosum (7) C.....
Wide spreading, slow growing evergreen shrub having entire glossy dark green foliage. Unusual tiny flowers with red flower parts in spring.

DODONAEA viscosa purpurea. Hopseed Bush (8) C.....
Attractive, fast growing, evergreen plant with bronze willow-like leaves, with cool weather turning to reddish purple.

DOXANTHA — See BIGNONIA

DRACAENA indivisa. Dracaena Palm (9) S.....
A tall narrow, palm-like plant with a central stem often forking at the crown, rich green in color. Excellent specimen plant.

DURANTA stenostachya. Brazilian Skyflower (10) C.....
Medium to large shrub having arching branches with attractive light green glossy foliage, spikes of light blue flowers.

ELAEAGNUS macrophylla 'Ebbengi' (7) C.....
More upright and attractive than 'Fruitlandi' with spineless branches. Evergreen foliage a dark green with silver scales on the leaf surfaces. Brown scales on the stems and new foliage.

ELAEAGNUS pungens. Silverberry (6) C.....
A large spreading evergreen shrub covered with frosty white shiny scales. Produces large silver-bronze berries. Smaller leaves than 'Fruitlandi.' Good foundation shrub.

ELAEAGNUS pungens 'Fruitlandi'. Silverberry (6) C.....
Rounded leaves with wavy margins covered with white and brown scales on the under sides. Makes a nice contrast against its lovely silvery green foliage.

EQUISETUM hyemale. Horsetail Reed Grass (4) Div......
A superb rush-like tropical grass. Deep green with jointed stems. Fast growing. Requires an abundance of moisture.

★ **ERICA blanda. Everblooming Heath (9) C**.....
Profuse blooming evergreen plant with tubular red flowers. Fine, needle-like, rich green foliage surrounds the stems.

★ **ERICA 'Felix Faure' (9) C**.....
Low, compact evergreen shrub. Bright green needle-like foliage shows off the orchid-pink tubular flowers.

★ **ERICA hyemalis (hieliana). Winter Heath (9) C**.....
Tubular pinkish-white winter blooms a colorful sight. A background of light foliage on this compact evergreen shrub.

★ **ERICA mediterranea maxima (6) C**.....
Lavender-pink flowers cover this dense, compact growing heather in late winter. Fine textured evergreen foliage.

ERICA melanthera rosea. Pink Scotch Heather (9) C.....
Evergreen shrub with fine billowy masses of tiny leaves and equally numerous rosy pink flowers from October to Feb.

★ **ERICA melanthera rubra. Red Scotch Heather (9) C**.....
Numerous, deep rose-red flowers cover this evergreen shrub during the winter. Likes well drained soil and full sun.

★ **ERICA vagans 'Mrs. Maxwell' (6) C**.....
Dwarf, spreading, evergreen Heather covered with fine, green foliage. Deep cerise colored flowers in late winter.

ERIOBOTRYA bronze (Photinia deflexa) (9) Graft.....
Outstanding, small evergreen tree. New foliage has showy reddish bronze color; mature leaves are dark green.

ERIOBOTRYA japonica. Loquat. Japanese Plum (9) S.....
Small to medium size evergreen tree with decorative dark green leaves and pear-shaped yellow edible fruit.

ERIOBOTRYA japonica 'Gold Nugget' (9) Graft.....
Small to medium size tree with dark green leaves and pear-shaped yellow edible fruit. Specially selected for its flavor and abundance of fruit.

ERYTHEA — See PALMS

★ Starred items are 1963 additions.

"RP" stands for  2 1/2" Rose Pots

COTONEASTER CONGESTA. Pyrenees Cotoneaster. Bright red berries are fall decoration on this low, spreading plant. Complete description page 36.

- ERYTHRINA caffra improved (10) S**.....
Improved form with larger bright red flowers on long arching branches surrounded by deep glossy green foliage.
- ERYTHRINA crista-galli. Cockspur Coral Tree (10) S**.....
Long spikes of pear-shaped brilliant red flowers appear all summer and fall on this semi-deciduous large shrub or small tree.
- ESCALLONIA organensis. Pink Escallonia (8) C**.....
Medium size bushy growing shrub with narrow bronzy-green leaves and clusters of appleblossom-like, white and pink flowers.
- ESCALLONIA rubra. Red Escallonia (8) C**.....
Medium to large evergreen shrub with deep green glossy foliage and clusters of bright red tubular flowers with spreading petals.
- EUCALYPTUS caesia. Gungurru (8) S**.....
Excellent small tree with smooth bark, leathery green foliage. Masses of dainty rosy-pink flowers January to March.
- EUCALYPTUS cinerea. Silver Dollar Tree (7) S**.....
A small fast growing tree, with attractive glaucous rounded leaves, opposite on the stem. Produces white flowers. Excellent for cut foliage.
- EUCALYPTUS citriodora. Lemon Scented Gum (8) S**.....
Strong growing tree with picturesque smooth bark and long pointed lemon scented leaves. White flowers in October. Evergreen.

EUCALYPTUS cloeziana. Yellow Messmate (8) S.....
Medium sized tree with attractive green leaves. Produces yellow flowers during March and April. Attractive brown bark.

EUCALYPTUS erythrocorys. Illyarie Eucalyptus (9) S.....
A showy small tree, producing large greenish-yellow flowers, from brilliant red flower buds. Deep green attractive foliage. See picture page 53.

EUCALYPTUS ficifolia. Scarlet Flowering Gum (10) S.....
Medium sized tree with reddish green foliage with a coarse texture; masses of vivid red to pink flowers cover the tree in August.

EUCALYPTUS globulus compacta. Bushy Blue Gum (9) S.....
Dwarf compact growing evergreen tree with rich blue-green foliage. Excellent for screens and windbreaks. White flowers.

EUCALYPTUS lehmanni. Bushy Yate (8) S.....
Small growing multiple stem Eucalyptus with attractive light green foliage. Huge clusters of bottle green flowers in July.

EUCALYPTUS maculata. Spotted Gum (8) S.....
Handsome tall tree with white bark that peels in patches, hence the name. Lance-shaped leathery green foliage.

EUCALYPTUS megacornuta. Warty Yate (8) S.....
Medium sized tree with smooth gray-brown bark and green foliage. Excellent for ornamental use. Bronzy green flowers.

EUCALYPTUS nicholi. Willow-leaved Peppermint (8) S.....
A very decorative tree with a graceful weeping branching habit having fine willow-like foliage. Juvenile foliage turns purple in Spring.

EUCALYPTUS niphophila. Snow Gum (7) S.....
Very hardy, small evergreen tree with wide spread. Sheds its white bark. Lance-shaped foliage a silvery-blue, thick and leathery.

EUCALYPTUS nutans. Red Flowered Moort (8) S.....
A rarely found multiple-trunked shrub or small tree having rich green foliage. Bright crimson flowers in spring.

EUCALYPTUS perriniana. Round-leaved Snow Gum (7) S.....
Round shiny silver leaves with a stem through the center makes this medium sized Eucalyptus a real show off. Foliage good for arrangements with flowers.

- 1. All plants must be of one variety.
- 2. All plants must be of one container size.
- 3. All plants must be shipped at one time.

These discounts apply to the:

- 100 or more rate on Liner Stock.
- 25 or more rate on 1-gallon Stock.
- 10 or more rate on 5-gallon Stock.

EUCALYPTUS planchoniana. Tallow Wood (8) S.....
A medium sized tree with attractive, very pleasing habit of growth, deep green foliage, produces pale yellow flowers.

EUCALYPTUS polyanthemos. Redbox Gum (8) S.....
A medium sized low branching tree with grayish blue foliage, with light red margins and veins. White flowers in Sept.

EUCALYPTUS rhodantha.
Rose Gum. Australian Fireball (9) S.....
A very glaucous small growing shrub with a spreading habit of growth. Produces large red, very colorful flowers.

EUCALYPTUS rostrata. Red Gum (8) S.....
A rapid growing tree with narrow green leaves, will grow in moist places. A very attractive tree with white flowers.

EUCALYPTUS rudis. Desert Gum (8) S.....
Tall growing tree with rounded green foliage, rough brown bark, withstands desert conditions well. White flowers.

EUCALYPTUS sideroxylon rosea. Pink Iron Bark (9) S.....
Medium size tree with brownish red rough bark and long pointed dark green leaves. Pink flowers borne in large clusters.

EUCALYPTUS torquata. Coral Gum (8) S.....
A lovely small growing multiple stemmed tree bears masses of vivid red flowers at an early age, from bronze-red buds.

EUCALYPTUS viminalis. Ribbon Gum (8) S.....
A fast growing tree with green alternate leaves on pendulous branches. Very attractive smooth white bark. White flowers.

EUGENIA myrtifolia (E. paniculata australis).
Brush Cherry (10) S.....
Close growing evergreen shrub or small tree with dark bronzy green leaves and fluffy white flowers followed by red edible berries. Excellent accentuation shrub.

EUGENIA myrtifolia globulus (10) C.....
Striking amber foliage combined with globular shape gives pleasing contrast to this evergreen shrub. Retains its vivid color.

EUONYMUS alatus compactus.
Dwarf Winged Euonymus (4) C.....
Dark green foliage on corky winged branches turns scarlet in the fall. Makes a striking appearance on this compact, slow growing deciduous shrub.

EUONYMUS fortunei carrierei (5) C.....
Semi-prostrate growing shrub having heavily veined leaves of deep glistening green. Excellent for ground covers.

EUONYMUS fortunei coloratus. Purpleleaf Euonymus (4) C..
Semi-prostrate growth. Foliage is deep green turning plum color in the fall. Unlimited uses in the landscape. Hardy.

EUONYMUS fortunei erecta (4) C.....
Evergreen upright growing shrub, large glossy, green foliage.

EUONYMUS fortunei 'Kewensis' (5) C.....
Evergreen vining type Euonymus having very tiny distinctly toothed, rich green leaves.

EUONYMUS fortunei radicans upright (4) C.....
Semi-upright in growth. Leaves become a deep red in the fall, a rich green in summer. Evergreen.

EUONYMUS fortunei radicans upright 'Sarcoxie' (4) C.....
Superior upright vigorous compact grower. Lush green uniform leathery foliage on a tight branching habit. Evergreen.

THESE PACKAGES LISTED ARE SUBJECT TO CANCELLATION WITHOUT NOTICE

EUONYMUS jap. aureo-marginatus. Golden Euonymus (5) C
Leaves dark green with bright gold margin. Very showy.

EUONYMUS jap. aureo-variegatus. Gold Spot Euon. (5) C.....
Compact evergreen shrub having yellow blotched leaves with dark green margins. Very popular variety.

EUONYMUS japonicus grandifolia (5) C.....
Fast growing upright shrubs with large shiny, deep green leaves.

EUONYMUS japonicus microphyllus (E. pulchellus).
Boxleaf Euonymus (5) C.....
Very dwarf erect shrub with small closely arranged rich dark green leaves. Compact, formal appearance.

EUONYMUS japonicus microphyllus variegatus (5) C.....
Same outstanding characteristics and habit as above, but with an exciting splash of white on the dark green leaves.

EUONYMUS japonicus 'Silver King' (5) C.....
Upright evergreen Euonymus with a striking appearance. Its large glossy leathery green leaves have a white margin that enhance its beauty.

EUONYMUS japonicus 'Silver Queen' (5) C.....
Large evergreen foliage with a creamy margin and green center. Same excellent upright habit as above.

EUONYMUS patens 'Manhattan' (5) C.....
Upright growing medium-sized evergreen shrub with very glossy dark green serrated leaves.

EUONYMUS patens 'Newport' (E. Kiautschovica) (6) C.....
Compact spreading grower. Wavy toothed shiny dark green foliage remains on the plant practically all year.

EUONYMUS radicans argenteo variegata (4) C.....
Low growing shrub with very attractive green and white foliage. Unlimited uses for ground cover or low plantings.

EUPHORBIA — See POINSETTIA

EUPHORBIA 'Bojeri'. Crown of Thorns (8) C.....
Gray stems are very thorny. Thin leaves that are a pale green, create an ideal setting for the exotic red bracts.

EURYA emarginata (7) C.....
Vigorous growing shrub with thick rounded, shiny leathery leaves on horizontal branches. Very graceful, showy shrub.

FATSHEDERA lizei. Botanical Wonder (8) C.....
A bi-generic hybrid between Fatsia and Hedera. Semi-climbing vine or shrub with large glossy green leaves. Evergreen.

FEIJOA sellowiana. Pineapple Guava (8) S.....
Fast growing, tall, evergreen shrub with gray-green foliage and waxy white flowers with red stamens followed by tasty fruit.

FEIJOA sellowiana 'Pineapple Gem' (8) Graft.....
Showy silvery green foliage and exotic red flowers in spring followed by large juicy pineapple flavored fruit. A specially selected strain.

FERNS

ALSOPHILA australis. Australian Tree Fern (10) Spores.....

Beautiful, slender graceful stems with a crown of spreading light green fronds. Prefers shade, fast grower.

ASPLENIUM bulbiferum. Mother Fern (9) Div......

Beautiful fern with long exotic green fronds. New fern is produced in the axil of its fronds. Prefers shade.

CYRTOMIUM falcatum. Holly Fern (8) Spores.....

Stiff, erect dark green fronds, with coarse holly-like leaf, blends well in any landscape. Shade loving.

DICKSONIA antarctica.

New Zealand Tree Fern (8) Spores.....

Dark brown trunk with a crown of feathery arching fronds. A deep dark green in color, with a fine lacy texture.

DICKSONIA fibrosa. Golden Tree Fern (8) Spores.....

A vivid golden green in color, makes a showy display with its arching fronds on its brown trunk. Prefers shade.

NEPHROLEPIS exaltata. Sword Fern (8) Div......

Very fast growing fern with long sword-like fronds. Very attractive and blends well in any garden.

POLYPODIUM aureum. Hares-Foot Fern (9) Spores.....

Coarse fern with brown creeping rhizomes that resembles a rabbit's foot. Fronds are a rich green in color.

★ **PTERIS cretica 'Major'. Brake Fern (9) Spores**.....

Robust growing, low fern. The straw colored stems hold the large, dark green fronds.

PTERIS flacida (9) Spores.....

Delicate lacy dark green fronds resembling carrot tops. Prefers shade and an abundance of moisture.

PTERIS ouvardi (9) Spores.....

Tall stems with finger-like leaves. Fast vigorous grower. Very exotic appearing.

WOODWARDIA radicans. Chain Fern (7) Spores.....

Perennial fern with vigorous, fast growing fronds. A rich green in color, excellent for real tropical appearance.

FESTUCA ovina glauca. Blue Fescue (6) Div......

Attractive ornamental blue grass which grows 8" to 12" in round shaped mounds. Excellent for borders and edging.

FICUS benjamina. Weeping Fig (10) C.....

Outstanding Ficus with rich green foliage with a weeping branching habit. Excellent for espaliers, specimens, and many more unlimited uses. Truly a superb Ficus.

★ **FICUS elastica decora (9) C**.....

Noble evergreen tree having bold growth habit. Immense dark, shiny green broad leaves. Midrib below and new growth tip bright red. Decorative indoor plant when small.

FICUS microphylla. Little Leaf Fig (9) C.....

Intense glossy green leaves, and attractive gray bark make this a splendid evergreen tree for every planting. Fast grower.

FICUS nitida. Indian Laurel (9) C.....

Refined evergreen plant having thick, rubbery leaves. Ideal for use as a hedge planting or small tree. Handsome appearance.

★ Starred items are 1963 additions.

FICUS repens (F. pumila). Climbing Fig (9) C.....

Close growing, clinging evergreen vine. Leaves rounded about one inch long. For sun or partial shade, vigorous grower.

FICUS repens minima. Creeping Fig (9) C.....

Similar to Ficus repens except more dwarf growing and the leaves are smaller, heart-shaped. Good dark green foliage.

FICUS retusa. Indian Laurel Fig (9) C.....

Shapely small tree with pendulous branches dressed with leathery leaves with a hand polished appearance. Picturesque.

★ **FICUS rubiginosa. Rusty Fig (9) S**.....

Broad, medium height, evergreen tree holds dark green laurel-like foliage with a beautiful rusty color beneath. Excellent shade or street tree.

FIRMIANA simplex.

Chinese Parasol Tree, Phoenix Tree (7) S.....

A showy deciduous round headed tree producing greenish yellow flowers in terminal panicles. Large palmately-lobed foliage.

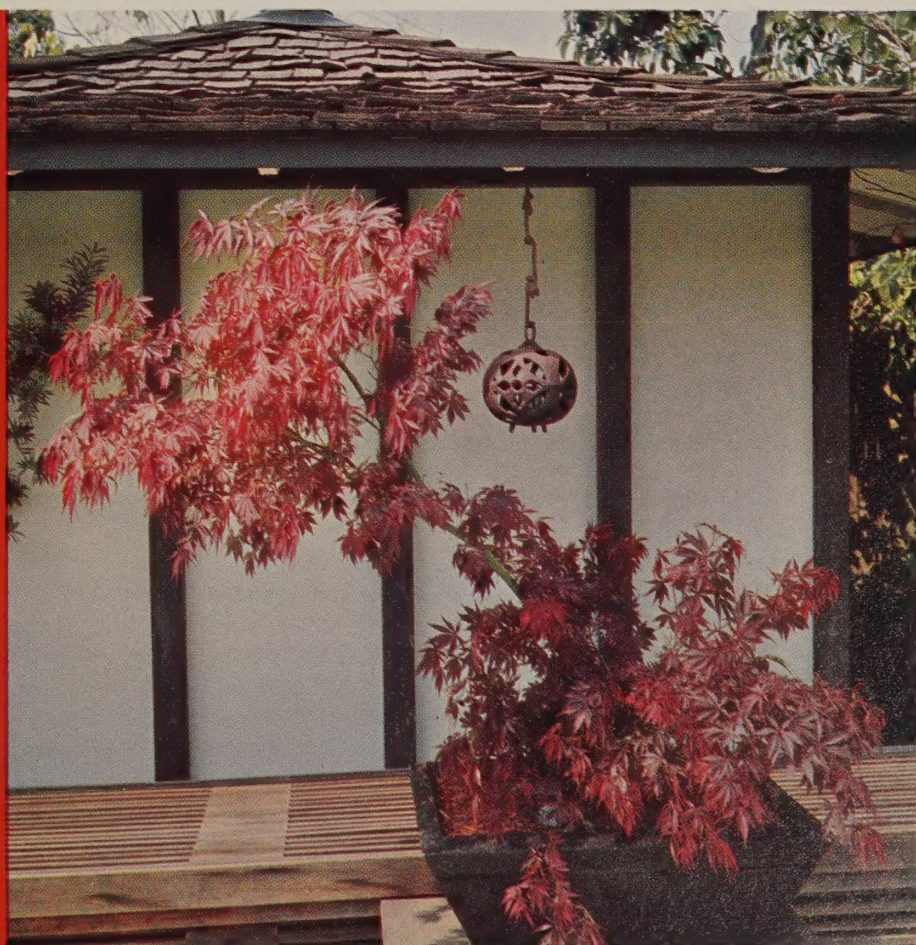

FORSYTHIA 'Lynwood Gold' (4) C.....

Large yellow flowers that are produced before leaves appear in spring. Deciduous. A hardy, colorful shrub.

FORSYTHIA 'Spring Glory' (4) C.....

Deciduous shrub covered with brilliant yellow flowers in early spring before its deep green leaves appear. Hardy.

ACER PALMATUM 'BURGUNDY LACE.' Burgundy Lace Japanese Maple. Brilliant red coloring to finely etched leaves. Stunning specimen plant. Complete description of this and other varieties on page 24 and 25.

★ **FRANKLINIA alatamaha (Gordonia a.) (5) S**.....
 Remarkable small, deciduous tree blooms in autumn when all other trees have finished. Pure white flowers with frilled petals cover the plant till frost. Shiny green foliage turns crimson after frost.

FRAXINUS uhdei. Shamel Ash. Evergreen Ash (9) S.....
 Medium size, fast growing evergreen tree, excellent for street planting or as a shade tree. Dark glossy green leaves.

FRAXINUS velutina. Arizona Ash (6) S.....
 Medium sized deciduous tree covered with lovely willow like serrated green leaves. Excellent shade tree, flourishes and thrives in dry areas.

GARDENIA 'Coral Gables' (8) C.....
 Lustrous dark green foliage on compact plants. Fragrant, very large, white flowers bloom throughout the summer.

GARDENIA jasminoides 'Mystery' (8) C.....
 Bushy compact growing plant with glossy green leaves. Produces large creamy white fragrant flowers during summer.

GARDENIA radicans (8) C.....
 Very desirable miniature Gardenia having glossy green foliage, small white fragrant flowers. Compact growth habit.

GARDENIA veitchi. Everblooming Gardenia (8) C.....
 Free flowering Gardenia with bright green compact, evergreen foliage and sweetly fragrant, white flowers.

GEIJERA parvifolia. Australian Willow (10) S.....
 Attractive shapely small evergreen tree with graceful pendulous branches. Linear long-pointed leaves. White flowers in spring.

GELSEMIUM sempervirens. Carolina Jessamine (7) C.....
 Evergreen twining vine. Flowers are trumpet-shaped, yellow and fragrant. Produced in profusion during summer months.

GENISTA racemosa (Cytisus racemosus). Sweet Broom (8) C
 Compact evergreen shrub producing golden yellow pealike flowers in late spring. Small pubescent deep green leaves.

GINKGO biloba. Maidenhair Tree (4) S.....
 Picturesque open-growing deciduous tree with artistic fan-shaped leaves of bright green turning golden yellow in the fall. Hardy.

GINKGO biloba 'Autumn Gold' (4) Graft.....
 A specially selected male strain with a very symmetrical upright habit and lovely deep green fan-like leaves that turn a lovely golden yellow in fall. See picture page 70. (Introduced by Saratoga Hort. Foundation.)

GREVILLEA banksi forsteri. Forsters Grevillea (9) S.....
 An exotic appearing small tree with dull dark green deeply divided leaves. Produces erect heads of dark crimson flowers.

★ **GREVILLEA lanigera. Woolly Grevillea (8) C**.....
 Tiny, narrow, deep green foliage on this very compact, low mounding, evergreen plant. Red and yellow flowers in profusion.

★ **GREVILLEA noelli (9) C**.....
 Low and compact evergreen hybrid plant with beautiful rose-red and white blooms in spring. The fine dark green foliage compactly covers graceful branches.

GREVILLEA robusta. Silk Oak (9) S.....
 Narrow columnar evergreen tree with fern-like dark green leaves. Bright orange-yellow flowers in spring.

GREVILLEA rosmarinifolia. Rosemary Grevillea (9) C.....
Medium shrub with deep green foliage with a silver cast beneath makes a delightful setting for an abundance of bright red flowers.

GREWIA caffra improved. Lavender Star Plant (10) C.....
Fast growing evergreen plant with light green foliage and lavender star-shaped flowers borne most of the year.

GUAVA — See FEIJOA or PSIDIUM

HARPEPHYLLUM caffrum. Kafir Plum (9) S.....
Attractive evergreen shade tree with black-green foliage. New growth tinted with red. Produces small dark red edible fruit.

HEBE — See VERONICA

HEDERA canariensis. Algerian Ivy (9) C.....
Dark green unusually large leathery leaves make this evergreen vine most desirable. Very vigorous grower. Good ground cover.

HEDERA canariensis variegata. Variegated Algerian Ivy (9) C.....
Large leathery leaves, a creamy white and green. Excellent for ground cover, bank planting, and many unlimited uses.

HEDERA canariensis variegata ‘Ghost Tree’ (9) C.....
Sturdy, upright growth habit. Glossy bright green leaves with variegated creamy-white edges. Clusters of large purple-blue berries in winter, very decorative.

HEDERA helix. English Ivy (4) C.....
Dark green small leathery leaves. Fast vigorous grower and hardy.

★ **HEDERA helix ‘Bechtoldi’ (5) C**.....
Beautiful, robust growing, hardy, evergreen vine. Noted for the crinkled edges of the shiny green foliage.

HEDERA helix caenwoodiana (5) C.....
Small deeply lobed, thick leathery, very dark green foliage with raised ivory veins. Attractive twining habit of growth.

HEDERA helix hahnii. Hahn’s Ivy (6) C.....
This compact Ivy finds much use in planter boxes. Refined growth habit and good texture to its deep green foliage.

HEDERA helix ‘Hahn’s Irish Lace’ (4) C.....
Here is a delightful Ivy with outstanding grace and charm. Its trailing compact habit makes for many uses. Green foliage is very finely cut with lacy appearance.

HEDERA helix purpurea (5) C.....
Thick leathery glossy purple green foliage, compactly held on the stems. Twining habit of growth.

HELIOTROPIUM ‘Black Beauty’ (Heliotropium aborescens) Heliotrope (10) C.....
Highly fragrant, deep purple flowers most of the year. Plant has unusually dark green foliage. Evergreen. Vivid color.

★ **HESPERALOE parviflora ‘Engelmanni’ (5) Div. and S**.....
Distinct tall spikes of intense pink, bell-like flowers bloom almost continuously above the green Yucca-like foliage.

HIBISCUS (10) C

HIBISCUS ‘Agnes Gault’.....
Single, bright rose-pink petals. Heavily veined with a pink and cranberry throat. Very attractive. Fast vigorous grower.

HIBISCUS 'American Beauty'.....
Large single bright pink flowers of varying intensity with a rose-red to white throat. A large breathtaking bloom.

HIBISCUS 'Bride'.....
Large, single, crepy ruffled petals of white blushed with pale pink, turning a frosty white in latter part of the day.

HIBISCUS 'Brilliant' (San Diego Red).....
Vivid bright red single flowers are produced profusely most of the year. Excellent, glossy dark green foliage.

HIBISCUS 'Butterfly'.....
Vibrant, bright yellow, single flowers produced in profusion on upright plants. Attractive polished green foliage.

HIBISCUS 'California Gold'.....
Single flower with flashy petals of a rich yellow-gold shading into carmine-orange in the center. Rich green foliage.

HIBISCUS 'Cile Tinney'.....
Attractive, vigorous upright growth with dark glossy green heavily serrated leaf. Double blooms with beige edge to pink blush to a rose center.

HIBISCUS 'Crown of Bohemia'.....
Very full double bloom, petals a magnificent golden yellow with deep orange-red throat. Very rich green foliage.

HIBISCUS Eetveldeanus.....
Colorful dark reddish green foliage and stems make an ideal setting for its reddish pink flowers that are produced in profusion throughout the summer months.

HIBISCUS 'Fullmoon' (Trade Marked).....
You have never really seen a yellow Hibiscus until you have seen the brilliant lemon-yellow of new Hibiscus Fullmoon! Its bloom is extremely full and double; its petals wide-spread with a perfect symmetry of a full moon. Its lovely leaves are deep shining green. Fullmoon blooms most of the year, an ideal shrub for foundation planting or hedges. Must be sold with T.M. Tags. See picture page 36.

HIBISCUS 'RED DRAGON' (T.M.)
Rich red, double blooms in profusion on this vivid tropical. Complete description on opposite page.

EUCALYPTUS ERYTHROCORYS. Illyarie Eucalyptus. Showy, small tree produces these brilliant red capped, golden yellow blooms. Complete description page 41.

HIBISCUS ‘General Marshall’

Tall, vigorous, well-shaped growth habit. Exceptionally large, single orange-yellow bloom with a blood red throat, wavy margins on the petals.

★ **HIBISCUS ‘Jimmie Spangler’**

Double flowers are a fascinating Spanish orange shading to red. Robust grower having shiny bright green foliage.

HIBISCUS ‘Kona’

Very full double bright pink ruffled petals with a faint pink-beige border. Creates a dazzling display of summer color.

HIBISCUS ‘President’ (Trade Marked)

Hibiscus President is one of the most satisfactory Hibiscus ever offered to the nursery trade. Large, single flowers—dramatic both in size and in rich, intense, red coloring, rate it an instant favorite with your customers. Of equal appeal is its vigorous, glossy compact foliage which stays attractive the entire year. Upright and tall, it makes an impressive high hedge or foundation planting. Must be sold with T.M. tags attached.

HIBISCUS ‘Red Dragon’ (Trade Marked)

Very colorful double red flowers produced in profusion during the warm months. Very intense deep glossy green foliage. Must be sold with T.M. tags attached. See picture page 52.

HIBISCUS ‘Ross Estey’

Extremely large single flower with orange edges shading to glowing rose center. These ruffled and tufted flowers last 3 to 4 days. Foliage is extremely heavy and large with a glossy hand polished appearance.

★ **HIBISCUS ‘Stoplight’**
A sparkling jewel! Vibrant, glowing red, single flowers are outstanding against glossy dark green foliage.

HIBISCUS ‘Sundown’ (Jigora)
Large double orange colored flowers, tinted with nasturtium red, and deep glossy green foliage. Produces an abundance of color.

HIBISCUS ‘White Wings’
Attractive single white petals with ruby red eye in the center. Faint red vein in center of each petal.

HIBISCUS ‘White Wings’ compacta (floribunda)
Single white flowers with narrow petals and having red flower parts. More compact habit than above.

HARDIER HIBISCUS (7) C

These varieties do well in the colder areas. Even if they freeze to the ground they grow quickly the following spring and summer and provide an abundance of flowers.

‘Giant Raspberry Rose’
A mammoth raspberry rose colored flower produced throughout the summer months. Very attractive deep green foliage.

mutabilis rubra. Confederate Rose
Large single red flowers.

‘New Blood Red’
Rich blood red petals create a spectacular mammoth flower.

‘Ruffled Cerise’
Big dark red ruffled petals make a real showpiece.

‘Super Clown’
A large giant white flower with a rich red eye. Here is one of the showiest. A sure customer winner for you.

HOYA carnosa. Wax Flower (10) C
Tender evergreen vine that needs support. Thick leathery leaves of bright green, a perfect background for the thick waxy, fragrant white star-shaped flowers.

HOYA carnosa variegata. Variegated Wax Flower (10) C
Ornamental variety with the thick fleshy leaves of dark green bordered in creamy-white with a faint pink tint.

HOYA keyisi (10) C
Thick oval gray-green fleshy leaves covered with gray felt compactly placed on this close jointed evergreen creeper.

HYDRANGEAS (9) C

A group of ornamental deciduous woody plants producing large showy terminal blossom clusters. Handsome leaves a rich green with serrated margins.

‘Hamburg’ Striking scarlet.

‘Hortensis’ (H. macrophylla) Delicate pink.

Hortensis macrophylla ‘Excelsior’
Shiny thick broad and pointed leaves with a slight pubescence beneath. Large pink sterile flowers in round flat heads in summer.

‘Merritt’s Beauty’ Carmine red.

HYDRANGEAS: Continued

'Revelation' Brilliant red flowers.

'Trophee' Brilliant, salmon-rose flowers. ..

'White' Clusters of pure white flowers. ..

HYDRANGEA quercifolia. Oak Leaf Hydrangea (5) C.....

Very attractive oak-shaped leaves adorn the multiple trunked shrub, white flower in summer. Deciduous. Bronze red fall color to foliage.

HYMENOSPORUM flavum. Sweetshade (8) S.....

Evergreen shrub or tree with an upright slender habit of growth. Handsome foliage. Clusters of fragrant orange yellow flowers in early summer.

HYPERICUM calycinum. Aaronsbeard (5) S.....

An attractive low growing evergreen bushy plant, bearing large yellow flowers in profusion. Handsome foliage. Excellent ground cover.

HYPERICUM hidcote (6) C.....

The beautiful golden yellow flowers are cup-like and waxy, and are produced more freely than on most Hypericum.

HYPERICUM 'Sungold' (6) C.....

A shapely dwarf shrub which bears golden yellow flowers during the summer months. Very colorful shrub.

★ **IBERIS sempervirens. Evergreen Candytuft (5) C.....**

Compactness and dwarf habit make this an ideal edging plant. Showy, scented, white flower heads appear above the small, dark green foliage in early spring thru early fall.

ILEX (HOLLY)

ILEX altaclarensis belgica. Belgian Holly (6) C.....

Vigorous evergreen grower that bears rich red berries heavily and early. Deep glossy green flat foliage with closely placed spines at the leaf margins.

ILEX altaclarensis 'Wilsoni' (6) C.....

Ideal as a tree or large shrub, the spiny thick leaves and bright red berries make it one of the finest evergreen Hollies. Dioecious.

ILEX aquifolium. English Holly (6) S.....

Evergreen Holly with glossy deep green serrated foliage. Vigorous growth. Excellent Holly for any planting. Dioecious.

ILEX aquifolium argentea marginata (6) C.....

Creamy white margins on vivid green foliage dress the branches of this very attractive Holly. Vigorous growing.

ILEX aquifolium 'Golden Queen' (aurea marginata) (6) C....

Beautiful female Holly considered best of golden variegated forms. Broad oval dark green leaves edged with wide, well defined margin of deep golden yellow. See picture page 56.

★ **ILEX aquifolium 'Balkans' (Female) (5) C.....**

Numerous deep red berries produced on this heavy branched upright Holly. Smooth, glossy dark green foliage. Hardest of English types.

★ **ILEX aquifolium 'Balkans' (Male) (5) C.....**

Same excellent form as above, but no fruit. Plant this Holly for pollinizer.

ILEX CORNUTA 'DAZZLER.' Comparison of berry and cluster size with ILEX AQUIFOLIUM 'BRILLIANT.'

ILEX CORNUTA 'DAZZLER.' New! Large clusters of bright red berries are a dazzling sight. Complete description opposite page.

ILEX AQUIFOLIUM 'GOLDEN QUEEN' (aurea marginata). Superb variegation of glossy green and golden yellow edges. Complete description page 55.

ILEX aquifolium 'Boulder Creek' (6) C.....
Giant glossy black-green leaves create a perfect setting for the abundance of brilliant bright red berries in fall.

ILEX aquifolium ciliata major (6) C.....
Vigorous growing female, bark purple when young. Oval dark green leaves margined with long curved spines. Bright red berries follow white flowers in June.

ILEX aquifolium 'Jan van Tol' (6) C.....
A Dutch type that blooms and bears early with bright red shiny fruit. Smooth, glossy dark green slightly convex leaves with spiny margins.

ILEX aquifolium 'J. G. Esson' (6) C.....
Heavy stemmed female Holly. Bright red, large berries in profusion. Large, flat leaves, a glistening rich dark green are extremely handsome, turn purple with colder weather.

ILEX aquifolium 'Male' and 'Male No. 698' (6) C.....
Selected males especially for their profusion of bloom — good pollenizers. Shiny dark green foliage.

ILEX aquifolium 'Teufel's Deluxe' (6) C.....
Hardy, vigorous growing female Holly. Exceptionally dark green large leaves, the early ripening red berries are considerably larger than average Holly berries.

ILEX aquifolium 'Teufel's Hybrid' (6) C.....
A green stemmed variety with exceptionally glossy green leaves. Hardy female variety with bright red berries, sets fruit at an early age.

ILEX aquifolium 'Teufel's Little Bull' (6) C.....
Hardy, highly ornamental, male Holly of upright habit. Compactly held, attractive, small, glossy, dark green leaves. Masses of flowers, good pollenizer.

ILEX aquifolium 'Teufel's Zero' (6) C.....
Vigorous, upright plant with long slender graceful branches in a weeping habit. Early ripening bright red berries remain on the plant well into the winter. Withstands cold well.

ILEX aquipernyi 'Brilliant' (5) C.....
Very neat long heavily serrated leaves and quantities of bright red berries make it one of the most eye-catching.

ILEX cornuta. Chinese Horned Holly (6) S.....
A very versatile Holly, grows in sun or shade. A dense, bushy evergreen shrub or tree well adapted to every planting. Dioecious.

ILEX cornuta 'Azusa'. Chinese Holly (6) C.....
Hardy, medium to large shrub with deep green glossy leaves. Large bright red berries in profusion. Dioecious. Selected strain.

ILEX cornuta 'Burfordi'. Burford Holly (6) C.....
The most prolific bearer of large bright red berries. Leaves are deep glossy green almost without spines. Monoecious.

ILEX cornuta 'Dazzler' (6) C.....
Rich green, highly glossed foliage on compact upright growing plants . . . show off the dazzling clusters of large, bright red berries. Sparkling show-piece. See picture page 56.

ILEX cornuta 'Giant Beauty' (6) C.....
Introduction of a new outstanding Holly. Extremely handsome, luxurious deep green spiny leaves on an upright habit create a perfect setting for brilliant red berries in fall.

ILEX cornuta rotunda. Dwarf Chinese Holly (6) C.....

A very superior compact low growing Holly with dense habit of growth. Ideal for shade and sunny plantings. Produces no berries but makes it up with its outstanding character.

ILEX crenata convexa bullata (5) C.....

Compact slow growing shrub. Very glossy small rounded leaves on an upright habit of growth. Produces black berries.

ILEX crenata 'Green Island' (Pl. Patent No. 817) (5) C.....

Low spreading Holly, with mounding habit. Can be planted sun or shade. Excellent for those low planting areas.

ILEX crenata 'Green Thumb' (7) C.....

Here is an outstanding Holly with deep green foliage. Excellent for foundation planting. Has a pleasing, compact, upright habit of growth.

ILEX crenata 'Helleri'. Heller's Japanese Holly (5) C.....

Dwarf prostrate type of Holly. Excellent for borders. Handsome small leaves and extremely compact type of growth.

ILEX crenata 'Hetzi'. Hetz Japanese Holly (6) C.....

A desirable clone with rather large shiny dark green, convex, oval shaped leaves. Excellent for hedge or formal plantings.

ILEX 'Foster's Hybrid No. 2' (Cassine x Opaca) (6) C.....

Small dark green leaves and loose habit of growth, covers itself with beautiful intense red berries in profusion.

ILEX opaca. American Holly (5) S.....

One of the best large growing Hollies. Forms a compact pyramidal plant with dark green spiny toothed foliage.

ILEX opaca 'Brilliantissima' (5) C.....

Vigorous grower of pyramidal habit with brilliant red berries which set heavily. Dense branching habit. Rich green sharply toothed foliage.

★ **ILEX opaca 'Delia Bradley' (6) C**.....

Shiny red berries are abundantly produced even while plants are young. Glossy, dark green foliage clothes the numerous branches.

★ **ILEX opaca 'Old Heavy Berry' (6) C**.....

Colorful, upright growing Holly with large rich green foliage. Highlights are the numerous clusters of dark red berries.

ILEX opaca rotundifolia (5) C.....

Handsome appearance to the glossy rich green foliage, sharply toothed, on this pyramidal grower. Heavy pollen producer from profusion of spring flowers. Male.

ILEX pedunculosa (5) S.....

Attractive evergreen Holly with showy large spineless leaves. This shrub or small tree produces bright red berries.

ILEX pernyi (6) C.....

One of the finest Hollies with graceful branches and shiny berries against deep green leaves. Produces large red berries. Monoecious.

★ **ILEX 'San Jose Hybrid' (7) C**.....

Exceptionally vigorous erect Holly, a real beauty. Long, polished-looking, rich dark green foliage backs the extremely heavy production of bright red berries.

ILEX vomitoria 'Dwarf Yaupon' (7) C.....
A dwarf, attractively compact form of Ilex vomitoria. Shiny small leaves and refined low growth make it desirable in planters and as a ground cover. Monoecious.

ILEX vomitoria 'Stokes' (7) C.....
Tiny rich dark green leaves closely held on a dwarf compact habit, a pleasing sight. Smaller in habit than above.

JACARANDA mimosaeifolia (J. acutifolia).
Jacaranda (10) S.....
Medium sized evergreen tree with large fern-like green leaves. Clusters of attractive lavender-blue flowers in spring.

JACOBINIA carnea. Brazilian Plume (10) C.....
A small compact evergreen plant with tropical appearing leaves. Colorful exotic rose flowers borne on long plume-like spikes.

JASMINUM floridum. Showy Jasmine (7) C.....
Attractive semi-evergreen shrub with dark green foliage. Bright yellow flowers are in profusion in spring and summer.

JASMINUM magnificum. Angel Wing Jasmine (10) C.....
Large glistening fragrant white windmill-like flowers. Large green leaves. Semi-vining evergreen.

JASMINUM polyanthum. Pink Jasmine (8) C.....
Masses of pinkish white flowers adorn the rich lacy evergreen foliage most of the year. Excellent vining habit of growth.

JASMINUM primulinum (J. mesnyi). Primrose Jasmine (8) C
Strong growing vine with rich green stems and leaves produces quantities of bright, light yellow double flowers.

JASMINUM revolutum (J. humile) (7) C.....
Hardy evergreen shrub or vine with bright green leathery leaves. Clusters of light yellow fragrant flowers in summer and fall.

**JASMINUM sambac 'Maid of Orleans'.
Arabian Jasmine (10) C**.....
Evergreen shrub which produces a quantity of blossoms that are creamy white with that exquisite jasmine fragrance.

KADSURA japonica. Scarlet Kadsura (7) S.....
A slender twining evergreen shrub with shiny dark green foliage, finely toothed. Summer bloom is yellowish white. Handsome scarlet berry clusters follow in large showy heads.

KALANCHOE beharensis. Velvet Leaf (10) C.....
Attractive small to medium succulent shrub with rich green fleshy broad arrow-shaped foliage, heavy silvery-brown pubescence. Foliage forms terminal rosettes.

MINIMUM QUANTITIES

In order to keep our prices low . . . do not order less than the following quantities of any one variety.

- | | |
|---|---------------------------|
| 25 in 2 1/4" and 2 1/2" RP lining-out stock | 10 in 2-gallon containers |
| 25 in 3" lining-out stock | 5 in 5-gallon containers |
| 10 in 1-gallon containers | |

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$35.00 or more. This minimum also applies to local deliveries and will call orders.

KOELREUTERIA paniculata. Golden Rain Tree (5) S.....
Deciduous tree. In late summer it produces panicles of bright yellow flowers followed by attractive lantern-like seed pods.

LAGERSTROEMIA hybrid 'Majestic Orchid' (T.M.) (7) C.....
Outstanding introduction of an upright, heavy stemmed plant. Large rich green foliage backs large rich orchid blooms. Adds regal beauty to the summer landscape. See picture page 82.

LAGERSTROEMIA indica. (New Dwarf Shrubs) (6) C
Here we have the exciting loveliness of the Lagerstroemias but with a dwarf shrub form that makes it more useful in the landscape. The rich green foliage with the bronze tint when new still dresses these fine new introductions. Vigorous growers of upright habit and profuse blooming characteristic. See picture page 67.

'Petite Embers' T.M......Very dwarf, rose red

'Petite Orchid' T.M......Dwarf, dark orchid

'Petite Pinkie' T.M......Dwarf, clear pink

'Petite Snow' T.M......Very dwarf, snow white

LAGERSTROEMIA indica 'Durant Red' (6) C.....
Large billows of pure red flowers in summer. These spectacular blooms literally smother the tree with a riot of color. Lovely green leaves. Deciduous.

LAGERSTROEMIA indica 'Glendora White' (6) C.....
A specially selected strain with large snowy white flowers usually ruffled and in dense showy clusters. Deciduous.

LAGERSTROEMIA indica 'Gray's Red' (6) C.....
Sturdy upright habit, a vigorous grower with lush green foliage. Large clusters of brilliant rich red blooms, an eye-catching sight. Deciduous.

LAGERSTROEMIA indica rosea. Pink Crape Myrtle (6) C.....
Masses of crepe-textured rose-pink flowers cover the entire tree in summer. Attractive rich green foliage. Deciduous.

LAGERSTROEMIA indica rubra. Red Crape Myrtle (6) C.....
Vigorous upright habit of growth literally covered with rose-red flowers in summer. Deciduous.

LAGERSTROEMIA indica 'Shell Pink' (6) C.....
Clusters of crinkly blooms of a soft pink, a desirable new coloring, tip the shrubby branches. Deciduous shrubs that have bright green foliage in summer.

QUANTITY DISCOUNTS

On Liners, 1-gallons, 5-gallons

1000 plants	10%
500 plants	5%

These discounts apply if the following requirements are met:

- 1. All plants must be of one variety.
- 2. All plants must be of one container size.
- 3. All plants must be shipped at one time.

These discounts apply to the:

- 100 or more rate on Liner Stock.
- 25 or more rate on 1-gallon Stock.
- 10 or more rate on 5-gallon Stock.

LAGERSTROEMIA indica ‘Watermelon Red Improved’ (6) C..
Exciting masses of crinkly, bright red flower clusters cover the tree in summer. Very attractive bright green foliage. Deciduous.

LAGERSTROEMIA speciosa ‘Reginae Orchid’ (9) C.....
Queen’s Crape Myrtle—a very beautiful summer flowering shrub producing great spikes of light lavender flowers. Deciduous.

LANTANA camara (9) C
Exceptionally dwarf and compact, these evergreen Hawaiian shrubs produce a mass of color the year around. Easy to grow.

‘Christine’.....Cerise-pink.

Dwarf Pink.....Bright pink flowers.

Dwarf White.....Velvety white flowers.

Dwarf Yellow.....Bright Indian yellow flowers. .

‘Radiation’.....Rich orange-red flowers.

LANTANA ‘Confetti’ (Pl. Patent No. 1478) (9) C.....
Showers of brightly colored paper floating on a carpet of green resembles the captivating beauty of Lantana Confetti with its graceful vigorous spreading branches massed with yellow, pink and purple flowers, most of the year.

LANTANA ‘Cream Carpet’ (Pl. Patent No. 1841) (9) C.....
Pert, rich green leaves on spreading branches make a delightful background for the carpet of cream colored flowers which create this masterpiece, still more enhanced in beauty with a light yellow throat.

LANTANA ‘Pink Frolic’ (Pl. Patent No. 1843) (9) C.....
Bright and gay as a frolicking lamb, with its abundance of pink and yellow flowers, bright green leaves and its picturesque spreading habit of growth will add to any garden.

LANTANA sellowiana. Trailing Lantana (9) C.....
Low spreading evergreen shrub with deep green leathery leaves. Covered most of the year with lavender-pink flowers.

LANTANA ‘Spreading Sunset’ (Pl. Patent No. 1477) (9) C..
Exciting bright green leaves on vigorous spreading branches make a delightful setting for its masses of vivid orange-red flowers, having all the beauty of a true spreading sunset.

LANTANA ‘Spreading Sunshine’ (Trade Marked) (9) C.....
An abundance of bright sunshine yellow creates a blanket of color on these low spreading plants of compact habit. Rich, dark green leaves give fine contrast to highlight this new plant. See picture page 66.

LANTANA ‘Sunburst’ (Pl. Patent No. 1842) (9) C.....
Bursts of bright yellow flowers almost continually adorn this exotic spreading Lantana. Its lovely deep green foliage also adds to this unbelievable “Sunburst” of golden yellow.

LANTANA ‘Tangerine’ (Trade Marked) (9) C.....
Another outstanding introduction in the colorful Lantana group. This is a true tangerine coloring that runs solid on the blooms. Rich green leaves form a luxuriant background for the color. See picture page 66.

LAVANDULA latifolia. Lavender (7) C.....
This variety is a compact grower that grows close to the ground. Lovely, gray green foliage. Sends up light violet blue fragrant flower spikes in summer.

★ **LEPTOSPERMUM scoparium 'Keatleyi' (9) C**.....
 Vigorous growing Australian Tea. Soft gray-green colored foliage enhances the jewel-like, pink flowers with paler wavy edges.

LEPTOSPERMUM scoparium 'Pom Pom' (9) C.....
 A very colorful plant with fine dark green foliage. Smothered with bright double pink flowers in summer. Evergreen.

LEPTOSPERMUM scoparium roseum plenum (9) C.....
 Double rose-pink flowers cover the entire shrub during early spring. Beautiful dark foliage, evergreen.

LEPTOSPERMUM scoparium 'Ruby Glow' (9) C.....
 Evergreen shrub with dark purple stems and ox blood-red colored flowers cover the entire plant in early spring.

LEUCOPHYLLUM texanum compacta.
Texas Sage. Senisa (8) C.....
 Drought resistant evergreen shrub with silver-gray foliage, orchid-pink, bell-like blooms in summer months.

LIGULARIA kaempferi aureo-maculata.
Leopard Plant (9) Div......
 Dark green oval leaves arising from a basal clump having slightly scalloped edges. Yellow, white, and rose spots on the leaf.

LIGUSTRUM japonicum. Japanese Privet (8) S.....
 Fast growing evergreen shrub or tree, with rich dark green foliage, very easy to grow. Nice all around plant.

LIGUSTRUM lucidum macrophyllum.
Louisiana Black Privet (6) C.....
 A lovely shrub with luxurious dark green large foliage that clothe its graceful branches.

LIGUSTRUM 'Suwannee River' (Pl. Patent No. 1402) (7) C..
 Outstanding hybrid evergreen Ligustrum with deep lustrous green foliage. Very compact growing. Excellent low shrub.

LIGUSTRUM texanum. Wax Leafed Ligustrum (7) C.....
 Versatile evergreen shrub with deep glossy green foliage, heavy-textured leaves. Stands shearing well, white flowers in spring.

LIGUSTRUM vicari. Vicary Golden Privet (5) C.....
 Dwarf growing hardy privet with a rich bright golden foliage, evergreen in warmer areas.

LIGUSTRUM vulgare nanum 'Lodense' (5) C.....
 Compact growing shrub with thick heavy deep green leaves, deciduous. Does well in cold areas.

LILAC — See SYRINGA or CEANOTHUS

LIPPIA citriodora. Lemon Verbena (9) C.....
 Medium size deciduous shrub with light green aromatic foliage and loose panicles of tiny white to pale lavender flowers.

★ **LIQUIDAMBAR formosana. Formosa Sweet Gum (7) S**.....
 Tall, pyramidal tree makes a fine specimen or parkway tree. The lobed foliage is violet-red when young, then deep green, finally rose-red in autumn. Deciduous.

LIQUIDAMBAR formosana 'Afterglow' (7) Graft.....
 Picturesque, deciduous tree, with violet-red foliage in spring. In fall the green foliage turns showy shades of red.

LIQUIDAMBAR styraciflua. American Sweet Gum (5) S.....
Tall deciduous tree with a pyramidal head of maple-shaped leaves of deep rich green. Bright autumn color in fall.

LIQUIDAMBAR styraciflua 'Palo Alto' (5) Graft.....
A stately pyramidal tree of pleasing proportions. Foliage a rich green color, changing to a bright orange-red in autumn. (Introduced by Saratoga Hort. Foundation.)

LIRIODENDRON tulipifera. Tulip Tree (5) S.....
Deciduous tree with bluish green foliage, showy flowers of yellow-orange produced in spring. Yellow foliage in fall.

★ **LIRIOPE muscari 'Majestic' (7) Div.**.....
Beautiful, rich violet, crested spikes stand well above blade-like, dark green foliage. Border or group plantings in partial shade.

LIRIOPE 'Silvery Sun-proof' (5) Div......
Erect, stalked lilac blooms highlight this evergreen plant. The grass-like leaves arising from thick clumps are green with white to golden stripes.

LIVISTONA — See PALMS

LONICERA heckrottii improved. Coral Honeysuckle (5) C.....
Climbing, twining vine with two-inch oval leaves and brilliantly colored honeysuckle flowers of coral-red and yellow, deciduous.

LONICERA 'Henryi' (5) C.....
Semi-evergreen vine of twining or prostrate habit. Glossy, deep green, narrow leaves especially attractive. Yellowish or purple-red blooms in clusters in summer, black fruit follows.

LONICERA hildebrandiana.
Giant Burmese Honeysuckle (10) Graft.....
Large shining evergreen leaves and clusters of giant white and yellow flowers bloom for six or seven months. Fast grower.

LONICERA japonica halliana. Hall's Jap. Honeysuckle (5) C
Vigorous twining vine much used as a ground cover, or for covering fences. Fragrant white to yellow flowers, deciduous.

LONICERA japonica purpurea (5) C.....
Vigorous growing deciduous vine with rich purple tinted foliage, showy coral-red and yellow flowers.

★ **LONICERA sempervirens magnifica.**
Trumpet Honeysuckle (5) C.....
Exciting, semi-evergreen vine is covered by large, bluish-green foliage, silvery sheen beneath. Beautiful orange-scarlet flower clusters bloom continuously.

LYSILOMA thornberi (9) S.....
Handsome large growing evergreen shrub with feathery foliage. Small white flowers in late fall. Drought resistant.

★ **MACADAMIA ternifolia. Queensland Nut (9) S**.....
Handsome, evergreen tree, dense round head of long, narrow, shiny green foliage. Perfect shade and nut bearing tree, nuts have a rich flavor.

MAGNOLIA acuminata. Cucumber Magnolia (5) S.....
Large, pyramidal shaped deciduous tree with bright green leaves softly pubescent. Flowers of greenish-yellow in May, fruit an attractive bright red in late summer.

MAGNOLIA grandiflora. Southern Magnolia (7) S.....
 Medium size evergreen tree with large, deep green, glossy leaves and immense cup-shaped, fragrant white flowers.

MAGNOLIA grandiflora exoniensis (6) Graft.....
 Dwarf, pyramidal habit of growth, glistening rich green leaves. Produces large intense white flowers at an early age—grafted to insure fine characteristics. Evergreen.

★ **MAGNOLIA grandiflora 'Majestic Beauty'**
 (Pl. Pat. No. 2250) (7) Graft.....
 New!! Extravagantly immense, glossy deep rich dark green foliage adorns the magnificent pyramidal shape. Crowning this imperial evergreen wonder are sensational, cup-shaped, fragrant, white flowers. See picture back cover.

★ **MAGNOLIA grandiflora 'St. Mary's' (7) Graft.....**
 Outstanding Magnolia with bright glistening green leaves above and showy bronze beneath. Pleasing compact form of evergreen Southern Magnolia. Early bloomer with enormous white cup-shaped flowers.

★ **MAGNOLIA macrophylla. Big Leaf Cucumber Tree (7) S.....**
 Deciduous tree, fine spreading, pyramidal habit—very large bright green foliage. Extremely large, fragrant white cup-shaped flowers in early summer.

MAGNOLIA salicifolia. Anise Magnolia (5) C.....
 Slender, medium sized deciduous tree with fragrant white flowers appearing in April before the rich green foliage.

MAGNOLIA soulangeana. Saucer Magnolia (5) C.....
 Small deciduous tree or large shrub producing large multi-colored exotic flowers in early spring. Foliage is deep green.

MAGNOLIA soulangeana nigra. Purple Lily Magnolia (5) C
 Showy cup-shaped flowers, a dark purple outside, and a light purple inside. Outstanding for specimen planting. Deciduous.

★ **MAGNOLIA stellata. Star Magnolia (5) C.....**
 Deciduous, medium shrub with soft green foliage. Early heavy bloomer, its remarkable star shaped white flowers are sweetly scented.

MAHONIA aquifolium. Oregon Grape Holly (4) S.....
 Evergreen shrub with deep glossy green, holly-like foliage and clusters of yellow flowers followed by blue grape-like berries.

MAHONIA aquif. compacta. Compact Oregon Grape (4) C..
 A compact type of the popular "Oregon Grape," an outstanding evergreen easily grown in sun or partial shade. Deep green, glossy foliage.

MAHONIA lomarifolia (8) S.....
 A most interesting design is created by the compound deep green leathery leaves of this refined evergreen shrub. Produces spectacular yellow flowers in terminal spikes.

★ **MANDEVILLA hybrid 'Alice du Pont.' Chile Jasmine (10) C..**
 Splendid evergreen vine, prefers partial shade. Unusual flower buds open to form a trumpet of ice pink with a darker throat. Flowers last for days and bloom all summer.

MARANTA arundinacea variegata 'Tri-color' (10) Div.....
 Very colorful tropical foliage, a dark green splashed with red and cream. Low, fast grower prefers shade to show off its qualities.

MELALEUCA leucadendron. Cajeput Tree.

Swamp Tea Tree (9) S.....

Small evergreen tree with distinctive spongy light colored bark. Rich green foliage of firm texture crowds the branches. Slender spikes of white, yellow, pink or purple flowers.

★ **MELALEUCA linarifolia (9) S**.....

Broad round head on this small evergreen tree has a loose billowy look. Showy, fluffy, whitish flowers during the winter months.

MELALEUCA wilsoni. Wilson Honey Myrtle (9) S & C.....

Heavily branched prostrate growing elegant shrub with densely held tiny sharp narrow leaves. In spring heavy clusters of purplish-red blooms borne along graceful stems.

MORAEA iridioides. Iris Moraea, Butterfly Iris (8) S.....

Evergreen, stiff iris-like narrow foliage grows in fan-shape formation. In June white flowers with yellow bands, crests of style marked with blue.

MORUS alba. Fruitless Mulberry (5) C.....

An excellent deciduous, round headed shade tree. Large dark green leaves. Grows rapidly, likes plenty of moisture.

MURRAEA exotica. Orange Jessamine (9) S.....

An improved, compact growing variety. Exquisite evergreen foliage, and fragrant, pure white flowers in early summer.

MURRAEA paniculata. Satinwood (9) C.....

Delightful evergreen shrub. Luxuriant, bright green leaves and waxy white flowers with intense, orange blossom fragrance.

MUSA ensete. Abyssinian Banana (10) S.....

An excellent ornamental banana, ideal for tropical plantings with large green leaves, having a red midrib. Fast growing.

MUSA maurelli. Red Leaved Banana (10) Div.....

Ornamental tree-like tropical plant with broad evergreen foliage in compact rosettes. Brownish-red underneath, similar coloring on the surface.

MUSA paradisiaca seminifera. Fruiting Banana (10) S.....

Extremely large leafed banana with deep green color on slender tall trunks. Very tropical appearing clump forming banana.

MUSA zebrina. Blood Banana (10) S.....

A slender, decorative dwarf evergreen tropical plant. The dark green leaves have bronze-red and purple blotches on them. Reddish-purple on the undersides.

MYOPORUM carsoni (Myoporum laetum) (9) C.....

Fast growing evergreen shrub with thick leathery deep green foliage. Bears small white flowers with purple spots in early summer.

MYRSINE africana. African Boxwood (8) C.....

A fine, compact, evergreen shrub with small rounded reddish green leaves. Does well in sun or shade. Withstands shearing.

MYRTUS communis. True Myrtle (8) C.....

Creamy white flowers appear in the spring. A fast grower with strongly scented, small, shiny, deep green leaves.

MYRTUS communis compacta. Dwarf Myrtle (9) C.....

A slow growing, very compact, evergreen shrub with small, glossy leaves. Good for hedges. Creamy white flowers.

MYRTUS communis variegata. Variegated True Myrtle (9) C

Small, evergreen shrub with variegated leaves of creamy white, on rich green. Very showy, and fast growing.

- MYRTUS obcordata purpurea (9) C**.....
Densely branched pyramidal habit having glossy, dark purplish-green color to the round leathery leaves.
- NANDINA domestica. Heavenly Bamboo (6) S**.....
Attractive low growing shrub having much-divided lacy leaves which turn a brilliant shade of red in autumn. Evergreen.
- NANDINA domestica compacta (6) Div.**.....
More dwarf and compact growing than Nandina domestica, with fine lacy foliage, and delightful shade of red coloring in fall. See picture page 71.
- NEPHROLEPIS — See FERNS**

NERIUM--OLEANDER (8) C

- Erect glabrous shrubs, densely stemmed, covered with narrow leathery leaves. Bears showy single or double flowers. Drought tolerant and enjoys intense heat.
- 'Cherry Ripe'**Brilliant, single, rose-red flowers....
- ★ **'Double Yellow'**.....Double, bright yellow blooms.....
- 'Jannoch'**Large, single, bright red flowers. ...
- ★ **lutescens....'Isle of Capri'**.....Single, light yellow flowers....
- 'Mrs. Roeding'**Double, salmon-pink flowers.
- 'Pink Beauty'**Largest, single pink flowers.
- 'Seely Pink'**Large, showy, single pink flowers. .
- 'Sister Agnes'**Single, pure white flowers.

LANTANA 'TANGERINE' (T.M.) AND LANTANA 'SPREADING SUNSHINE' (T.M.) Displays of brilliant color from these and other spreading Lantanas. Complete description of these and other Lantanas on page 61.

LAGERSTROEMIA INDICA 'PETITE SNOW' (T.M.) This new dwarf shrub Crape Myrtle is a stunning color addition to late summer. Others are seen below. Complete descriptions page 60.

'PETITE PINKIE' (T.M.)

'PETITE EMBERS' (T.M.)

'PETITE ORCHID' (T.M.)

NYSSA sylvatica. Pepperidge. Tupelo (5) S.....
Large growing deciduous tree with slender pendulous branches. Prized for beautiful scarlet fall coloring. Loves moist areas.

OLEA europaea 'Fruitless' (8) C.....
Same excellent ornamental characteristics of the Manzanillo Olive but a non-fruiting clone.

OLEA manzanillo. Manzanillo Olive (8) C.....
A round headed evergreen tree with distinctive gray-green foliage. Excellent landscape item. Bears choice edible fruits.

★ **OPHIOPOGON Jaburan. White Lily Turf (6) Div.**.....
Tall and robust growing, dark green foliage is topped by showy white flower spikes. Best in partial shade.

OPHIOPOGON japonicum. Lily Turf, Mondo Grass (6) Div....
Valuable evergreen ground cover because of its sod-forming habit. Dark green leathery grass-like foliage with light lilac flowers in summer.

OSMANTHUS fragrans. Sweet Olive (9) C.....
Evergreen shrub with dark green foliage on upright habit. Tiny white flowers in spring that have a delightful fragrance.

★ **OSMANTHUS ilicifolius 'Gulf tide' (6) C**.....
Grows naturally into well branched compact upright shrub. Sensational glossy dark green foliage with twisted spiny edges.

OSMANTHUS ilicifolius purpurescens.

Purple-leafed Osmanthus (6) C.....
Evergreen shrub with foliage a striking shiny purple-black when young with scalloped and spiny edges. Early summer brings clusters of fragrant white flowers, blue fruit in fall.

OSMANTHUS ilicifolius rotundifolius.

Round-leaf Holly Osmanthus (6) C.....
A slow growing dwarf evergreen shrub with shiny small leaves with a few short spines and wavy margins. Fine specimen plant in sun or shade. Tiny white fragrant flowers.

OSMANTHUS ilicifolius variegatus. False Holly (7) C.....
Evergreen shrub having holly-like irregularly spined leaves of leathery texture. Leaves are dark green edged with creamy white. See picture page 74.

PACHYSANDRA terminalis. Japanese Spurge (5) C.....
A creeping plant, forming broad mats of bright glossy green foliage. Grows in deep shaded areas under trees. Evergreen.

PALMS

ARECA lutescens (Chrysalidocarpus).

Butterfly Palm (10) S.....
The smooth trunks of this cluster forming Palm have definite yellow rings. Glossy yellow-green leaves are held on long, graceful branches atop these trunks.

★ **BUTIA capitata (Cocos australis). Pindo Palm (8) S**.....
Hardy, low growing Palm having showy, blue-green, arching feathery fronds.

CHAMAEDOREA elegans. Neanthe bella Palm (9) S.....
A showy dwarf palm with attractive green fronds, excellent for tubs, or for creating tropical effects. Very artistic.

★ **CHAMAEDOREA Seifrizii. Grass Leaf Parlor Palm (9) S**....
Handsome, dwarf clustering palm with a bamboo-like appearance. Rich dark green, feathery foliage fills the plant.

PALMS: Continued

CHAMAEROPS excelsa (Trachycarpus fortunei).
Windmill Palm (8) S.....

A small, slender fan palm with leaves forming a compact crown. Its trunk densely covered with hairy black fibers. A real artistic palm.

CHAMAEROPS humilis. Mediterranean Fan Palm (8) S.....

A multiple trunk fan palm forming a compact crown on the end of each trunk. Slow grower. Fronds are a rich green in color.

COCOS plumosa (Arecastrum). Queen Palm (9) S.....

Graceful, narrow crown of arching, long leaves of glossy green. Attractive popular Palm of medium height needs plenty of moisture.

CYCAS revoluta. Sago Palm (9) S.....

Attractive appearing palm-like tree. Stout stem densely covered with leaf scars. Long leaf stalks with many narrow stiff dark green leaflets. Extremely slow grower.

ERYTHEA armata. Mexican Blue Palm (8) S.....

Slow growing, tall palm with fine spreading crown of rich silvery blue fan-like fronds.

ERYTHEA edulis. Guadalupe Palm (9) S.....

The attractive fans are clear bright green the entire year. Stems shed readily to leave a clean trunk on this decorative tree.

LIVISTONA chinensis. Chinese Fan Palm (8) S.....

Fan-like leaves that are a glossy green and deeply lobed. Leaflets are slightly pendulous at the tips. Thick gray trunk.

PAUROTIS Wrightii. Saw Palm (10) S.....

Graceful fan-shaped leaves on long barbed stems of rich green above and silvery below held on slender tall trunks.

PHOENIX canariensis. Ornamental Date Palm (8) S.....

Rapid growing palm that forms an immense crown of gracefully curving fronds. A rich deep green in color.

PHOENIX reclinata. Senegal Date Palm (9) S.....

Graceful multiple trunk palm with large bright green arching fronds on spiny stalks. Very picturesque habit.

SABAL mexicana. Oaxaca Palmetto (8) S.....

Produces large leaves with an interesting bluish cast, very showy in every planting where used.

SABAL palmetto. Cabbage Palmetto,
Common Palmetto (8) S.....

A very tropical appearing fan palm with large deep green fronds. Very adaptable to varied soils, withstands considerable cold.

SEAFORTHIA elegans. King Palm (9) S.....

Tall slender trunk with long arching fronds of bright green leaves. One of our most elegant palms. Good for tub planting.

WASHINGTONIA robusta. Mexican Fan Palm (8) S.....

Tall and slender fan palm with brilliant green fronds and a picturesque showy trunk, very tropical appearance.

PARKINSONIA aculeata. Jerusalem Thorn (8) S.....

A fine, small deciduous tree for hot dry places. During early summer it becomes a mass of small, bright yellow flowers.

PASSIFLORA coccinea. Red Passion Flower (10) C.....
An outstanding vigorous, free flowering vine producing exotic vivid red flowers in great abundance against rich green leaves.

PASSIFLORA pfordi. Passion Vine, Passion Flower (9) C.....
Fast growing evergreen vine massed with large flowers; white with pinkish tints with a purple-blue crown in center. Portrays the story of the crucifixion in its floral parts.

PAUROTIS — See PALMS

PENNISETUM ruppeli cupreum.
Purple Fountain Grass (9) Div.....
Very decorative perennial grass clumps with a graceful habit to its very narrow purple foliage and purplish-crimson flower spikes resembling plumes.

PHAEDRANTHUS — See BIGNONIA

PHASEOLUS gigantea. Giant Snail Vine (10) C.....
A vigorous growing evergreen vine producing masses of showy lavender flowers in large clusters most of the year. Excellent for bank planting.

PHILADELPHUS 'Minnesota Snowflake' (5) C.....
Hardy, deciduous, vigorous grower of symmetrical habit. Beautiful, double white, fragrant flowers profusely produced several times during the season.

★ **PHILADELPHUS 'Silver Showers' (5) C.....**
Superb, low growing, deciduous plant. Vase shaped branching habit filled with exceptionally fragrant, single, white flowers in profusion.

GINKGO BILOBA 'AUTUMN GOLD.'
Above close-up shows striking golden color of autumn foliage. Left: photo shows the symmetrical, upright habit of this magnificent tree. (Introduced by Saratoga Hort. Foundation.) Complete description page 50.

NANDINA DOMESTICA COMPACTA. Heavenly Bamboo. Decorative accent plant with its scarlet fall coloring. Complete description page 66.

JUNIPERUS SABINA 'ARCADIA.' Superior bright green foliage on this extremely hardy Juniper. Complete description page 9.

PHILADELPHUS virginalis. Mock Orange (4) C.....
The finest Philadelphus, having large double and semi-double, pure white fragrant flowers in early spring. Deciduous.

PHILODENDRON bipinnatifidum (9) S.....
Lush, tropical leaves on upright stems make a showy masterpiece where planted. Long deeply lobed leaves, segments also lobed.

PHILODENDRON 'Evansi' (9) S.....
Unmatched for lush dark green tropical foliage, long, solid leaves wavy margins looking like elephant's ears.

PHILODENDRON selloum (9) S.....
A wonderful plant for that lush tropical planting, both indoors and out. Glossy green, deeply lobed leaves. Sun grown.

PHOENIX — See PALMS

PHORMIUM tenax. New Zealand Flax (9) S.....
Long stiff, sword-like leaves margined with red and orange veins. Grows well in any location. Excellent exotic tropical.

PHORMIUM tenax atropurpureum. Purple Leafed Flax (9) S
Long, stiff, sword-like leaves are tinted with a red-amber color. Will vary in color slightly. Extremely attractive.

PHOTINIA arbutifolia macrocarpa.
Catalina Holly, Toyon (7) Graft.....
Splendid California native. Bears masses of brilliant red berries in great profusion that are retained for many months. This fine small tree or large bush loves dry areas.

PHOTINIA 'Fraseri' (7) C.....
Highly ornamental, evergreen shrub, its new foliage a glistening coppery-red on bright red stems. Dark green enhances the mature leaves of this upright grower. Hybrid. See page 3.

PHOTINIA serrulata. Chinese Photinia (7) S.....
Compact evergreen shrub with bronze tinted new leaves, lustrous green when mature. Clusters of white flowers in spring followed by bright red berries in fall.

PHOTINIA serrulata nova (7) C.....
A very good upright, evergreen shrub with large, dark green red tinted leaves that are attractive the whole year.

PHYLLOSTACHYS — See BAMBOO

PISTACIA chinensis. Chinese Pistachio (7) S.....
Rapid growing deciduous tree. Ideal for ornamental plantings. In the fall there is no finer tree for intensity of crimson foliage.

PITTOSPORUM tobira. Mock Orange (8) S.....
Evergreen shrub with long shiny green leaves. Fragrant white flowers in spring. Good foundation shrub.

PITTOSPORUM tobira variegata. Varieg. Pittosporum (9) C..
A combination of light green and white variegated leaves; low grower with fragrant white flowers in spring.

PITTOSPORUM undulatum. Victorian Box (9) S.....
Large shrub or small tree with rich green, pointed leaves. Fragrant, creamy white flowers followed by orange berries. Evergreen.

★ **PITTOSPORUM viridiflorum. Cape Pittosporum (8) S**.....
Evergreen small tree or large shrub covered by shiny, dark green foliage. Large clusters of greenish-white flowers with a striking jasmine fragrance, followed by bright orange-yellow fruit.

PLATANUS racemosa. California Sycamore (7) S.....
Deciduous tree usually of several picturesque trunks. Attractive maple-like foliage, rich silvery light green in color.

PLEROMA grandiflora (Tibouchina). Princess Flower (10) C
Evergreen shrub with bronzy green velvety leaves and huge colorful purple flowers all spring and summer.

PLUMBAGO capensis. Blue Cape Plumbago (9) S.....
Semi-climbing shrub producing clusters of blue flowers during summer. Semi-evergreen.

PLUMBAGO capensis alba. White Plumbago (9) C.....
Similar in growth to Blue Plumbago but flowers are glistening white. Same showy habit.

PODOCARPUS elongatus. Fern Podocarpus (9) Graft.....
Beautiful evergreen trees with long, dark, blue-green leaves, leathery and narrow on gracefully pendant branches.

PODOCARPUS gracilior (9) S.....
Large evergreen tree with a dense, very graceful branching habit. Rich green, leathery, narrow and long pointed densely arranged leaves.

PODOCARPUS macrophylla. Yew Podocarpus (7) S.....
One of the finest evergreen shrubs. Often trained by slight pruning to make a tall, slender column of narrow deep green leathery yew-like leaves.

PODOCARPUS macro. maki. Shrubby Yew Podocarpus (7) S
Grows more compact and its yew-like leaves appear more rigid than Podocarpus macrophylla. Evergreen shrub or tree.

PODOCARPUS totara (9) C.....
An appealing, evergreen, large upright tree. Small, rigid, leathery yew-like foliage of deep green on stiff branching.

POINSETTIA Ecke's 'Flaming Sphere'
(Pl. Pat. No. 1052) (10) C.....
A giant ball of flaming red, produced at the end of each branch in late fall. Lovely green leaves decorate the upright stems.

POINSETTIA 'Henrietta Ecke'. Double Poinsettia (10) C.....
The finest of the double flowering Poinsettias. Produces large heads of brilliant red flowers around Christmas time. Deciduous.

POINSETTIA 'Pink' (Euphorbia pulcherrima rosea) (10) C....
Deciduous shrub with many light-green soft branches at first, then woody, a light brown. Showy pink bracts create a spectacular sight.

POINSETTIA 'Yellow' (Euphorbia pulcherrima) (10) C.....
Same showy sight as the others but a lovely creamy yellow flower bract especially attractive.

POLYGALA dalmaisiana. Sweet Pea Shrub (9) C.....
Evergreen shrub having small, light green leaves and producing masses of purple to magenta pea-like flowers in summer.

POLYGONUM auberti. Silver Lace Vine (4) C.....
Hardy, twining vine with masses of slender stems and light green foliage. Long slender clusters of tiny greenish-white fragrant flowers in late spring and again in fall.

POLYPODIUM — See FERNS

PRUNUS caroliniana. Carolina Cherry Laurel (7) S.....
Large shrub or a small tree with dark glossy, green foliage. White flowers followed by small, dark berries. Evergreen.

PRUNUS CAROLINIANA
'BRIGHT 'N TIGHT' TM.
 Outstanding glistening
 green foliage on an up-
 right compact form. Com-
 plete description below.

OSMANTHUS ILICIFOLIUS
VARIEGATUS. Variegated
 False Holly. Proves excel-
 lent contrast plant for fore-
 ground or border planting.
 Complete description page
 68.

PRUNUS caroliniana 'Bright 'n Tight' T.M. (7) C.....

Specially selected strain with a showy compact, outstanding habit of growth. A welcome addition to your sales yard. Has exceptionally nice, deep green evergreen foliage on well-branched upright form. See picture above.

PRUNUS integrifolia (P. Lyoni). Catalina Cherry (8) S.....

Large, slow growing shrub or small tree with light green, glossy foliage, white flowers and purple fruit. Evergreen.

PRUNUS laurocerasus. English Laurel (6) C.....

Evergreen, hardy, large growing shrub with heavy, rich green foliage. Grows extremely well in sun or shade plantings.

PRUNUS laurocerasus schipkaensis (5) C.....

Hardy, compact growing shrub with shiny dark green leaves above, and light green beneath. Unlimited uses for hedges, foundation plantings, etc.

PRUNUS laurocerasus zabeliana. Zabel Cherry Laurel (5) C.....

Evergreen shrub with narrow shiny rich green leaves held flatly along semi-spreading branches. Good in every planting.

PSEUDOPANAX crassifolium. Lancewood (10) S.....

Handsome evergreen tree. Decorative juvenile foliage is long, narrow, rigid and finely toothed having a leathery texture.

PSIDIUM Cattleianum. Red Strawberry Guava (10) S.....
 Medium size evergreen shrub bearing clusters of small, round, dark red fruits. Used in making jellies. Excellent landscape shrub.

PSIDIUM Cattleianum lucidum. Yellow Guava (10) S.....
 Very showy large glossy-leaved evergreen shrub bears edible strawberry-flavored yellow fruit, blends into any landscape.

PTERIS — See FERNS

PUNICA chico.
Dwarf Carnation-flowered Pomegranate (7) C.....
 Showy dwarf deciduous shrub with light green leaves. Masses of bright orange-red double flowers in summer.

PUNICA granatum alba-plena. Double White Punica (7) C..
 Upright growing, ornamental shrub. Attractive narrow, glossy clear green foliage. Showy double creamy-white flowers in spring.

PUNICA granatum 'Mme. Legrelle' (7) C.....
 Attractive, upright deciduous shrub having long narrow glossy green, wavy margined foliage. Showy double coral-red flowers, striped with yellowish-white, hang from branch tips.

 AND LARGER SIZES OF
PYRACANTHA COCCINEA
LALANDI 'MONROVIA'.
 COMPLETE DESCRIPTION
 PAGE 76.

PUNICA granatum nana. Dwarf Pomegranate (7) S.....
 Dwarf, compact, deciduous shrub; producing single orange-red flowers in summer followed by ornamental fruits in late fall.

PYRACANTHA coccinea 'Kasan' (4) C.....
 Bright red-orange berries are produced in fall and are retained late into winter. Its bright glossy green foliage adds a pleasing contrast to every planting. Very hardy.

PYRACANTHA coccinea lalandi 'Monrovia' (4) C.....
 One of the hardiest pyracantha. This selected strain insures you sprays of bright orange berries in profusion, and its superior upright habit and lustrous green foliage make it a must in every planting. The most widely planted hardy pyracantha. See picture page 75.

PYRACANTHA coccinea pauciflora (4) C.....
 A very popular, hardy pyracantha with lush evergreen foliage combined with a low and compact habit of growth. Able to withstand extreme weather and temperature conditions. Its low habit makes for unlimited uses.

PYRACANTHA coccinea 'Wyatti' (4) C.....
 This hardy pyracantha with evergreen foliage produces an abundance of orange-red berries in early fall. A showy highly desirable shrub with unlimited uses for hedge, color or foundation shrub. Tolerates poor soil.

PYRACANTHA crenato-serrata 'Graber' (7) C.....
 A large vigorous upright growing pyracantha, outstanding for its huge cluster of large red berries produced in midseason (between Rosedale and Victory). Long lasting on plant with large dark green leaves.

PYRACANTHA crenato-serrata 'Rosedale' (Trade Marked) (7) C.....
 Often described as the most beautiful of all Pyracanthas. Long arching branches are densely covered with rich, deep green leaves. Early in the year its berries are the first to turn a bright red of any variety. Highly versatile, easily espaliered on wall, fence or trained as a hedge.

PYRACANTHA Koidzumi 'Government Red' (6) C.....
 Vigorous, upright growing with large evergreen leaves and bright red berries produced in early fall. A colorful hardy Pyracantha.

PYRACANTHA Koidzumi 'Santa Cruz Prostrata' (7) C.....
 Unique and delightful prostrate growing habit allows this pyracantha to be used for ground covers, bank planting or wherever a low growing shrub is desired. Covers itself with masses of large red berries in fall. Has deep glossy green foliage. Evergreen.

PYRACANTHA Koidzumi 'Victory' (7) C.....
 A strong fast grower with large dark green leaves. Its large glistening berries are the last to attain their intense red color, which is retained for many months after.

PYROSTEGIA — See BIGNONIA

PYRUS calleryana 'Bradford' (5) Graft.....
 Ornamental, vigorous growing, dense headed, medium sized shade tree. Glossy rich green foliage with wavy edges take on attractive fall coloring in colder areas. Dense clusters of white blooms early in spring. Deciduous.

PYRUS kawakami. Evergreen Pear (9) Graft.....

May be grown as a small tree, a large shrub or very effectively espaliered. The glossy luxuriant foliage is handsome the year around. In the spring it's a mass of fragrant white flowers.

QUERCUS agrifolia. California Live Oak (9) S.....

A round headed, spreading evergreen tree with rough black bark and dark green spiny-toothed foliage. A very picturesque tree.

QUERCUS borealis. Northern Red Oak (4) S.....

A picturesque broad headed oak having a beautiful autumn color in fall. Fits well in any landscape. Deciduous. Very large leaves.

QUERCUS ilex. Holly Oak (7) S.....

An excellent medium sized evergreen tree with shiny, finely toothed, holly-like leaves. Densely leafed, showy specimen tree.

RAPHIOLEPIS indica 'Enchantress.' (Trade Marked) (7) C....

For its pure beauty, your customers will give Raphiolepis Enchantress excited praise. Flowers are large of rich rose pink and appear in thick clusters from late winter till early summer. The shrub's growing habits are dwarf, compact and show off luxuriant, glossy green foliage to a superb advantage. Hardy, grows in full sun or partial shade. Flowers deepen in color near the ocean. Must be sold with T.M. tags attached. See picture page 79.

RAPHIOLEPIS indica 'Springtime'. (Trade Marked) (7) C....

Veteran nurserymen tells us that no other shrub can match the beauty of our new Springtime. January to April, its superb leathery, evergreen foliage is literally flooded with magnificent rich pink bloom clusters. It grows moderately fast. Blooms lighten in color inland. Very attractive shrub, a steady seller for dependable turnover and profits. Must be sold with T.M. tags attached. See picture page 79.

RAPHIOLEPIS umbellata ovata. Round-leaf Raph. (6) S.....

Medium to large evergreen shrub with rounded dark green leathery leaves. Produces clusters of fragrant white flowers.

RHAMNUS alaternus. Italian Buckthorn (8) C.....

Handsome, large evergreen shrub or small tree with appealing glossy dark green leaves. Dark blue berries. Withstands shearing well.

★ **RHAMNUS alaternus argenteo-variegata.**

Variegated Italian Buckthorn (8) C.....

Evergreen shrub or small tree good for dry areas. Small glossy, gray-green foliage, margined with creamy-white.

RHAMNUS californica 'Seaview' (7) S.....

Low, wide spreading, compact evergreen shrub. Dull green leathery leaves on reddish stems. Large red cherry-like berries in summer, turns black in autumn. Takes full sun. (Introduced by Saratoga Hort. Foundation.)

★ **RHUS coggygria rubrifolia (Cotinus). Smoke Tree (5) C**.....

Large, deciduous shrub creates outstanding color. The eye-catching dark red foliage and billowy clouds of purplish flowers in early summer cannot be duplicated.

RHUS ovata. Sugar Sumac (9) S.....

Attractive, ornamental evergreen medium shrubs with glossy thick leathery foliage. Yellow blooms in dense short spikes in spring. Showy dark red fruit in fall.

RHYNCHOSPERMUM asiaticum (Trachelospermum a.) (7) C

Vigorous growing vine with small showy green leaves, used for ground covers, bank planting or wherever a low trailing shrub is desired. Yellowish-white fragrant flowers.

RHYNCHOSPERMUM jasminoides (Trachelospermum jasminoides). Star or Confederate Jasmine (7) C

Strong growing bush or evergreen vine with deep green leathery foliage. Produces masses of very fragrant star-shaped white flowers.

RHYNCHOSPERMUM jasminoides 'Wilsoni' (7) C

Evergreen twining vine with slender hairy shoots. In summer clusters of very fragrant white flowers backed by dark shiny green foliage, turns crimson in fall. Showy light green veins.

ROHDEA japonica. Sacred Lily of China (9) S and Div.

Erect short plant formed by a heavy rosette of dark green leathery leaves. Prefers shade. Dense white flowers very early in spring followed by large, bright red berries.

ROSA banksi 'White' (5) C

Miniature double white flowers set against rich green foliage. Vigorous grower. Good for bank and ground cover plantings.

ROSA banksi 'Yellow' (5) C

Miniature double yellow flowers on this vigorous evergreen climber having but few spines on the slender stems.

ROSA 'Mermaid'. Mermaid Rose (5) C

Old fashioned single sunrise-yellow rose, large fragrant flowers in profusion on plants. Excellent on fences or ground cover.

ROSA 'Oakington Ruby' (5) C

Dwarf miniature type rose. Deep red double flowers.

ROSA 'Perle d' Alcanada' (5) C

Compact growing miniature rose having carmine-red blooms. Wonderfully free flowering. Full habit of growth.

CARISSA GRANDIFLORA 'FANCY.' A choice new Natal Plum with outstanding fruiting habit. Complete description page 32.

RAPHIOLEPIS INDICA 'SPRING-TIME' (T.M.) Close-up at right shows a rich pink bloom cluster. Complete description page 77.

RAPHIOLEPIS INDICA 'ENCHANTRESS' (T. M.) Its compact, mounded form profusely covered with spring bloom, a deep rose pink. Complete description page 77.

ROSA 'Pour Toi' (5) C.....

Compact miniature rose that is wonderfully free flowering. Flowers are creamy white in color.

ROSMARINUS foresteri. Santa Barbara Rosemary (8) C.....

Prized for its semi-prostrate habit. Evergreen aromatic dark green foliage silver underneath and attractive blue flowers.

SABAL — See PALMS

★ **SALIX repens 'Golden Dwarf.' Pussy Willow (4) C**.....

Prostrate growing, deciduous willow to 4' high. Attractive yellow catkins in spring, followed by silvery-gray foliage on slender arching branches.

SANTOLINA chamaecyparissus. Lavender Cotton (7) C.....
 Dense gray foliage of pleasing texture producing showy but-
 tony gold flowers. An aromatic low evergreen plant.

SARCOCOCCA hookeriana humilis (6) C.....
 Evergreen, compact growing shrub with dark green, short
 leaves and small white fragrant flowers. Shade loving.

SARCOCOCCA ruscifolia. Fragrant Sarcococca (6) C.....
 Evergreen shrub with shiny waxy leaves. Will thrive in dense
 shade. Small white fragrant flowers followed by dark red
 berries. Low growing shrub with fine spreading habit.

SASA — See BAMBOO

SAXIFRAGA rubicunda (Bergenia cordifolia) (4) S.....
 Large glossy green leaves in rosettes with pink flowers on tall
 stalks in spring. Evergreen. Excellent for border plantings.

SCHEFFLERA actinophylla (Brassaia a.)
Queensland Umbrella Tree (10) S.....
 Glossy green compound finger-like leaves on a rapid growing
 evergreen shrub. Versatile as a tub specimen or small tree.

SCHINUS dependens (S. polygamus). Peru Pepper (8) S....
 Evergreen small tree, its slightly drooping branches hold
 dark green leaves. Numerous small fruits are black.

SCHINUS molle. California Pepper Tree (8) S.....
 Medium sized evergreen tree with graceful weeping branches
 and feathery foliage. Rose colored fruits in fall.

SCHINUS terebinthifolia. Brazilian Pepper Tree (9) S.....
 Rich, evergreen foliage, combined with conformity and fast
 growth makes this shade tree a must for every yard. In late
 summer it covers itself with attractive red berries.

SEAFORTHIA — See PALMS

SETCREASEA purpurea. Purple Heart (9) C.....
 Creeping plant with striking purple color to its fleshy stems
 and leaves in full sun. Produces tiny orchid-like purplish-rose
 flowers in summer.

SOLANDRA guttata. Cup of Gold (10) C.....
 A strong evergreen vine with huge funnel-shaped yellow
 flowers striped with purple in summer. Large glossy green
 leaves.

SOLANUM rantonetti improved. New Blue Solanum (10) C..
 Medium to large free flowering evergreen shrub or vine.
 Flowers are an inch across in deep blue with bright orange
 center.

SOLLYA heterophylla. Australian Blue Bell (9) S.....
 Trailing evergreen shrub or creeping vine with variable dark
 green leaves and small blue-bell shaped flowers in summer.

SOPHORA secundiflora. Texas Mountain Laurel (7) S.....
 Evergreen shrub or small tree, bears fragrant violet-blue pea-
 shaped flowers in early spring. Attractive light green leaves.

SPARTIUM junceum. Yellow Spanish Broom (7) S.....
 A very erect shrub with practically leafless, quill-like green
 stems or branches all year, bright yellow pea-shaped flowers.

SPIRAEA bumalda 'Anthony Waterer.'
Dwarf Pink Bridal Wreath (4) C.....
 Dwarf deciduous shrub with compact growth and flat heads
 of rosy-pink flowers in summer. Narrow green leaves.

★ **SPIRAEA nipponica 'Snowmound' (4) C**.....
 Small dark green foliage highlights attractive numerous white flower clusters. This deciduous plant branches freely, grows to a medium height.

SPIRAEA prunifolia. Shoe Button Spiraea (4) C.....
 Small deciduous shrub with upright habit of growth with graceful spreading branches. Double white flowers in spring.

SPIRAEA reevesiana (S. cantoniensis).
Double Bridal Wreath (4) C.....
 Hardy deciduous shrub with arching branches covered with clusters of double white flowers in spring.

SPIRAEA vanhouttei. Bridal Wreath (4) C.....
 Hardy deciduous shrub with a splendid display of white bloom in summer, on graceful arching branches having blue-green leaves.

STENOCARPUS sinuatus. Firewheel Tree (10) S.....
 Evergreen tree native to Australia. Produces bright red flowers hanging in heavy umbels. Rich green oak-like foliage.

★ **STERCULIA diversifolia (Brachychiton populneus).**
Bottle Tree (7) S.....
 Semi-evergreen tree with a dense head, nice compact habit. Lower trunk unusually thick. Yellowish flowers in summer precede large, boat-shaped seed pods. Likes hot, dry climate.

STRELITZIA nicolai. Bird of Paradise Tree (9) S.....
 The flowers have realistic bird-like heads white with blue tongues. Tree-like form with large banana-like green leaves.

STRELITZIA reginae. Bird of Paradise (9) S.....
 Clumping, compact slow-growing plant with bluish-gray leaves with red mid-rib. Petals orange with blue tongue on the bird-like flower heads.

SYRINGA persica laciniata. Cutleaf Persian Lilac (5) C.....
 Deciduous shrub with deeply cut light green leaves. Fragrant bright lavender flowers in early spring. Hardy.

SYRINGA rothomagensis (S. chinensis). Chinese Lilac (4) C
 Fragrant large lilac purple blossoms are borne profusely in the spring. Deciduous. Deep green leaves on bushy dense growth.

SYRINGA josikaea 'Sylvia'. Hungarian Lilac (5) C.....
 Fragrant pink flowers decorate this deciduous upright shrub in auxiliary clusters. Dark green foliage, extremely attractive.

★ **TABEBUIA ipe. Trumpet Tree (8) S**.....
 Stunning, small, semi-evergreen tree clothed in deep green, compound foliage. In late winter or early spring the showy clusters of large rosy-purple flowers completely fill the branches.

★ **TABEBUIA pulcherrima (8) S**.....
 Profuse display of bright yellow trumpet-shaped flowers in clusters in late winter or early spring. Same habit as the above tree, but has colorful, fuzzy brown covering on the foliage adding interest.

TECOMA capensis. Orange Cape Honeysuckle (9) C.....
 Large evergreen shrub or vine with glossy green pinnate leaves and brilliant clusters of orange-red trumpet-shaped flowers in summer.

TECOMA capensis aurea. Yellow Cape Honeysuckle (9) C....
 Free growing evergreen shrub or vine with showy golden yellow trumpet-shaped flowers in summer.

TERNSTROEMIA japonica (T. gymnanthera) (7) S and C.....

A desirable shrub with very pleasing rich green leathery foliage, appearing hand polished. Grows very well, with good form.

TEUCRIUM chamaedrys. Germander (5) C.....

Evergreen shrub having glossy leaves and reddish purple flowers. Thrives extremely well in hot dry locations.

THEVETIA nereifolia. Yellow Oleander (10) S.....

Dense evergreen shrub with dark green narrow leathery leaves. Fragrant large yellow funnel-like flowers in summer.

TIBOUCHINA — See PLEROMA

TOYON — See PHOTINIA

TRACHELOSPERMUM — See RHYNCHOSPERMUM

TRACHYCARPUS fortunei — See CHAMAEROPS

TRISTANIA conferta. Brisbane Box (9) S.....

An attractive large evergreen tree with dark green leathery leaves, smooth red-brown bark. Produces white star-shaped flowers, tolerates heat and drought.

TURRAEA obtusifolia. Bluntleaf Starbush (8) C.....

Slow growing, very worthwhile shrub with deep green leaves. Quantities of white star-like flowers cover the entire bush for long periods. Peak of bloom in early fall.

ULMUS parvifolia sempervirens. Evergreen Elm (7) C.....

A fine small round headed evergreen tree, with graceful, weeping, arching branches, clothed with deep green finely toothed leaves.

ULMUS parvifolia sempervirens 'Drake' (7) C.....

Rich evergreen foliage on sweeping branches which grow more upright than the regular evergreen elm; very attractive.

LAGERSTROEMIA HYBRID 'MAJESTIC ORCHID' (T. M.) New!!
Gorgeous, royal orchid flower clusters are a magnificent sight! Complete description page 60.

VERBENA peruviana 'Flaming' (9) C.....
Intense, vivid red flowers completely cover the low creeping plant during summer months. Does well in dry soil.

VERONICA 'Andersoni' (Hebe Andersoni) (8) C.....
Hybrid evergreen shapely shrub of a very symmetrical habit when young. Soft foliage is densely packed with bluish-violet blooms in spikes in summer.

VERONICA 'Autumn Glory' (Hebe 'Autumn Glory') (9) C....
Compact, spreading evergreen shrub with thick rounded leaves with purple veins. Flower spikes intense violet color.

VERONICA imperialis (Hebe speciosa). Showy Hebe (9) C..
Showy, free-flowering, upright evergreen shrub. Compact grower with deep wine-red flower spikes in warm months.

VERONICA latifolia prostrata (8) C.....
Very showy prostrate Veronica with its small dark green compact leaves on spreading branches. Many light lavender flowers.

VIBURNUM bodnantense 'Pink Dawn' (5) C.....
Rich green deeply veined, pubescent leaves cover this deciduous shrub of erect habit. Rose colored flower buds open to pink, fragrant blooms. Dark blue fruit in fall.

VIBURNUM 'Burkwoodi'. Burkwood Viburnum (5) C.....
Hardy deciduous shrub producing large waxy pinkish-white flower clusters with Gardenia fragrance. Leaves dark green.

VIBURNUM 'Davidi.' David Viburnum (7) C.....
Large dark green deeply veined leaves on low upright branches. This is an eye-catching shrub. Inconspicuous white flowers followed by blue berries. Outstanding.

VIBURNUM fragrans. Fragrant Viburnum (5) C.....
Attractive pink flower buds open to fragrant white flowers and adorn the hardy deciduous shrub before the foliage appears. Spectacular scarlet berries follow the blooms.

VIBURNUM japonicum. Japanese Viburnum (8) C.....
Upright evergreen shrub with large glossy green leaves. Produces fragrant white flowers. Excellent for foundation plantings.

VIBURNUM odoratissimum. Sweet Viburnum (8) C.....
Handsome evergreen shrub. White fragrant flowers. Large thick leathery green leaves. Attractive red fruit later turns black.

VIBURNUM opulus sterile. Eastern Snowball (3) C.....
Hardy deciduous shrub, produces masses of globular clusters of pure white snowball-like flowers in May and June. Foliage turns red in autumn.

VIBURNUM rhytidophyllum. Leather Leaf Viburnum (5) C....
Large evergreen shrub with deep green leathery leaves, grey felted beneath. White flowers in early summer followed by black fruit. Hardy.

VIBURNUM suspensum. Sandankwa Viburnum (8) C.....
Very showy evergreen shrub with large, oval shiny green leaves on slender rough branches. Fragrant rose-tinted white flowers.

VIBURNUM tinus robustum. Roundleaf Viburnum (7) C.....
Medium sized evergreen shrub with luxuriant deep green foliage, quantities of striking white flowers blushed with pink.

VIBURNUM tomentosum plicatum grandiflorum (4) C.....
Produces pure white sterile flowers with rich green heavily veined foliage. Very hardy. Deciduous.

- ★ **VINCA minor 'Bowles' (5) C**.....
Shiny, deep green foliage and large intense blue flowers, a stunning evergreen ground cover in shady settings.
- ★ **VINCA minor multiplex. Periwinkle (5) C**.....
Valuable ground cover vine for shady areas where grass will not grow. Colorful double purple flowers all summer.
- VITEX macrophylla. Lilac Chaste Tree (6) C**.....
A graceful deciduous shrub with long spikes of lovely pale blue flowers. Very vigorous grower. A splendid color shrub.
- VITIS — See CISSUS**
- WASHINGTONIA — See PALMS**
- WEIGELA florida. Pink Weigela (4) C**.....
Very hardy medium sized deciduous shrub. Masses of pink flowers in spring surrounded by deep green foliage.
- WEIGELA florida 'Bristol Ruby' (4) C**.....
Deciduous shrub producing masses of deep red flowers in early spring. Dark green foliage on stiff upright branching habit.
- ★ **WEIGELA florida 'Bristol Snowflake' (4) C**.....
Lavish display of snowy white, trumpet-like flower clusters in early spring fill this deciduous, medium sized plant.
- WEIGELA florida variegata (4) C**.....
Variegated white and green foliage with profuse pink and white flower clusters in early spring. Deciduous.
- WEIGELA vaniceki (4) C**.....
Very hardy upright growing shrub with masses of bright red flowers. Has a long blooming period. Deciduous.
- WISTERIA floribunda rosea.**
Pink Japanese Wisteria (4) C and Graft.....
Woody twining deciduous vines of great ornamental value, a rich green to the foliage. Hanging long clusters of pink flowers in spring.
- WISTERIA floribunda 'Royal Purple' (4) C and Graft**.....
Breath-taking loveliness that demands attention when these long violet-purple clusters bloom in spring. Deciduous, twining woody vines with bright green foliage.
- ★ **WISTERIA multijuga (W. floribunda macrobotrys) (4) S**.....
Profuse blooming, hardy, deciduous vine. Showy purple flowers appear in early spring in clusters up to 3' long.
- WOODWARDIA — See FERNS**
- XYLOSMA senticosa (Myroxylon senticosum) (8) C**.....
Evergreen shrub with glossy light green foliage. New growth has a reddish tint. Versatile shrub with arching branches.
- ★ **YUCCA aloifolia. Spanish Dagger (4) S**.....
Slender, upright stems hold long, pointed green foliage. Noble spikes of white flowers tinged purple are high above the foliage.
- YUCCA elephantipes (Yucca gigantea). Palm Lily (8) S**.....
Very picturesque trunks springing from a swollen base, each topped with a showy rosette of thick bright green leaves.
- YUCCA filamentosa. Adams Needle (4) S**.....
A bold rosette of stiff sword-shaped leaves having an attractive bluish cast to its foliage. Produces showy white panicles.
- ★ **YUCCA glauca. Great Plains Yucca (4) S**.....
Low growing rosette of vivid gray-green foliage narrowly margined white, crowned by tall spikes of greenish-white flowers.
- YUCCA pendula (Y. recurvifolia) (7) S**.....
Showy blue-green recurving leaves on single upright stem. Adds beauty to any landscape. Loves dry conditions.

DELIVERY SCHEDULE

This schedule is arranged to give you the best possible delivery service and is followed closely. However, any time you place an order for a full truckload, shipment can leave the nursery within a few days after the order is placed, regardless of the schedule. If the first of the month falls on a Wednesday or earlier, that week is considered the first week of the month as pertaining to the schedule below.

Please — we must have your order at least 4 days before the scheduled delivery. This not only gives us more time to select better stock, but it does insure delivery on schedule.

Area	Minimum Delivery Order	Time of Delivery
L. A. Metropolitan Area Including San Fernando, Long Beach, Santa Monica and Covina areas.	\$ 35.00	Weekly.
Orange County	35.00	Every Friday.
San Bernardino and Riverside Area Including Pomona, Chino and Colton areas.	35.00	Every Tuesday.
San Diego Area Including Oceanside, Escondido and National City areas.	60.00	Every Wednesday
Santa Barbara Area Including Ventura County.	60.00	Every Monday.
Palm Springs Area Including Banning and Indio areas.	60.00	2nd and 4th Tuesday of each month. Any Tuesday when a full load is available.
Bakersfield Area North to Fresno.	60.00	1st and 3rd week of each month.
Fresno Area and immediate area.	60.00	2nd and 4th week of each month.
Stockton Area Madera and north.	100.00	2nd and 4th week of each month.
Sacramento Area	100.00	2nd and 4th week of each month.
Marysville Area Including Chico and Oroville areas.	150.00	2nd week of each month.
San Luis Obispo Area Including Paso Robles and Santa Maria areas.	60.00	1st and 3rd week of each month.
Monterey Area Including Watsonville and Santa Cruz areas.	100.00	1st and 3rd week of each month.
San Francisco and Oakland Area Including Berkeley, San Jose and Walnut Creek areas.	100.00	1st and 3rd week of each month.
Santa Rosa Area Including Ukiah and Napa areas.	100.00	2nd and 4th week of each month.

Out-of-State Shipments — To all states. Regular scheduled deliveries are made during spring and fall by contracted carrier service (Motor Freight) — full loads or split loads. Minimum order — \$250.00.

PLEASE keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$35.00 or more.

CHECK WITH  FOR BIG SAVINGS ON SHIPPING RATES OF FULL TRUCK ORDERS!!

IF YOUR ORDER

Arrives by our truck carrier service, delivery charges are due and payable immediately upon receipt of invoice. Please do not pay the truck driver.

HARDINESS MAP

From this map determine what zone you are in. The number listed beside each variety in this catalog indicates the zone in which that variety will be hardy.

If the variety carries your zone number or a smaller number it should be hardy in your area. If you want to take a chance on those rated one zone greater, there is a good possibility of success.

PACIFIC TIME ZONE

2 1/4" Pot—1¢

2 1/2" *RP and 3" Pot—2¢

MOUNTAIN TIME ZONE

2 1/4" Pot—1¢

2 1/2" *RP and 3" Pot—2¢

CENTRAL TIME ZONE

2 1/4" Pot—1 1/2¢

2 1/2" *RP and 3" Pot—3¢

EASTERN TIME ZONE

2 1/4" Pot—3¢

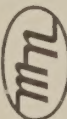

2 1/2" *RP and 3" Pot—5¢

THE LIMITS OF THE AVERAGE ANNUAL MINIMUM TEMPERATURES FOR EACH ZONE

Zone	Temperature Range
Zone 1	In Northern Canada
Zone 2	-50° to -35°
Zone 3	-35° to -20°
Zone 4	-20° to -10°
Zone 5	-10° to -5°
Zone 6	-5° to 5°
Zone 7	5° to 10°
Zone 8	10° to 20°
Zone 9	20° to 30°
Zone 10	30° to 40°

WE SHARE YOUR SHIPPING COST

ON  POT GROWN LINERS

Distance no longer a penalty—no matter where you live we share shipping costs. This can save you up to 50% of your delivery expense. Your portion of shipping charges will be added to your invoice or should be included with your check for your order. (See Terms of Sale, inside front cover.)

We pack your liner order free of charge in strong safety cartons, and ship promptly. At these low rates listed above liners can be laid down at your nursery — via our choice of carrier.

New!

Create the charm and romance of the Old South in your customer's landscape. Plant 'Majestic Beauty' Magnolias. Here's a vigorous growing, compact branching shade or street tree. "Superb" and "spectacular" will certainly be among the many praises given this exquisite new tree.

Magnolia grandiflora 'Majestic Beauty' (Pl. Patent No. 2250)

This close-up comparison definitely shows the magnificence of the leaves.

Shiny, rich green, huge leaves dwarf the hands that hold them.

See page 64 for a full description.
